Copy.

*Mr. Chamberlain to Lord Minto.*

DOWNING STREET,  
15th November, 1899.

MY LORD,

I received from you on the 2nd instant a copy of an approved minute of the Dominion Privy Council, dated the 14th of October, 1899, in which your Ministers authorised the equipment and dispatch of 1,000 volunteers for service with the Imperial troops in South Africa.

The great enthusiasm and the general eagerness to take an active part in the military expedition which has unfortunately been found necessary for the maintenance of British rights and interests in South Africa, have afforded much gratification to Her Majesty's Government and the people of this country. The desire thus exhibited to share in the risks and burdens of the Empire has been welcomed not only as a proof of the staunch loyalty of the Dominion, and of its sympathy with the policy pursued by Her Majesty's Government in South Africa, but also as an expression of that growing feeling of the unity and solidarity of the Empire which has marked the relations of the Mother Country with the Colonies during recent years.

The thanks of Her Majesty's Government are specially due to your Ministers for the cordial manner in which they have undertaken and carried through the work of organizing and equipping the Canadian Contingent.

I have, etc.

## NOTICE TO CONTRACTORS.

BRIDGE ACROSS THE THOMPSON RIVER AT KAMLOOPS,  
 BRITISH COLUMBIA.

SEALED PROPOSALS, superscribed “Proposal for Kamloops Bridge,” will be received by the undersigned up to and including Wednesday, the 31st day of January, 1900, for the erection and completion, according to the design to be furnished by the successful tenderer, of a bridge, wooden or steel, across the Thompson River at Kamloops, B. C.

Plan and section of site, specifications, and conditions of tender and contract may be seen at the Lands and Works Office, Victoria, B. C., at the office of the Provincial Timber Inspector, Vancouver, B.C., and at the Provincial Government Office, Kamloops, B. C., on and after Monday, the 8th day of January, 1900.

Tenderers may obtain copies of the specifications, etc., upon application to this office, and on the payment of twenty (20) dollars.

Each tender must be accompanied by an accepted bank cheque or certificate of deposit, made payable to the undersigned, for a sum equal to five per cent. of the amount of the tender, as security for the due fulfilment of the contract, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied and signed with the actual signature of the tenderer.

## CASSIAR DISTRICT.

## STIKINE RIVER MINING DIVISION

Shall comprise such portion of the drainage area of the Stikine River and its tributaries as may lie within this Province as may be defined as follows:—

Commencing on International Boundary at a point  $57\frac{1}{2}$  north latitude and approximately east of Endicot Arm; thence north-easterly following height of land dividing the water-shed of Taku River and its tributaries on the north from the water-sheds of the Stikine and Dease Rivers and their tributaries, to a point on such height of land between Dease Lake and head waters of Tranzilla River; thence following the eastern boundary of the water-shed of the Stikine River to a point on such height of land, between the head waters of Stikine and water-shed flowing into Babine on the south-east; thence south-westerly along the height of land dividing the drainage area of Stikine River on the north from the drainage area of those streams emptying into the Pacific Ocean south of Cleveland Peninsula; thence following such height of land between water-sheds of those streams emptying into Bradfield Channel and Borough Bay, to a point where such height of land is cut by the International Boundary; thence north-westerly along such International Boundary to the point of commencement.

## LIARD RIVER MINING DIVISION

Shall comprise and include such portions of the drainage areas of the Liard and Hay Rivers as may lie within the boundaries of this Province, and is defined as follows:—

Commencing on the northern boundary of the Province at a point where such boundary cuts the 130 west longitude; thence southerly along the height of land forming eastern boundary of Teslin Lake Mining Division to a point on such boundary between McDame Creek and the head waters of the Tooya River; thence southerly along the height of land dividing water-sheds of Stikine and Dease Rivers to a point between Dease Lake and headwaters of Tranzilla River; thence south-easterly along the divide between the drainage areas of the Stikine River on the west and the Black River on the east, continuing along the divide between the drainage areas of the Skeena and Findlay Rivers on the south and the Black River and its tributaries on the north, continuing along the height of land dividing the drainage areas of those streams flowing northerly into the Nelson and Hay Rivers from those flowing southerly into the Peace River, to a point where such divide is cut by the eastern boundary of the Province; thence north along such boundary line to the north-east corner of the Province; thence west along the northern boundary of Province to point of commencement.

## TESLIN LAKE MINING DIVISION.

Commencing at a point where the northern boundary of British Columbia intersects the height of land between Teslin and Atlin Lakes; thence southerly following such height of land to a point between Pike Lake and Katanee River; thence south-west to the height of land between Lynn Canal and Taku Inlet; thence following such height of land southerly to its intersection with the International Boundary; thence south-easterly following such International Boundary to a point  $57\frac{1}{2}$  north latitude and approximately east of Endicot Arm; thence north-easterly following the height of land between the drainage area of the Stikine and Taku Rivers, continuing north-easterly following the height of land to the northern boundary line of the Province, where such boundary line intersects the 130 west longitude; thence west along the northern boundary of British Columbia to the point of commencement.

## BENNETT LAKE MINING DIVISION.

Commencing at a point where the northern boundary of British Columbia intersects the west shore of Tagish Lake; thence southerly following the west shore of the said lake to its southern extremity; thence southerly along the height of land between Lynn Canal and the Taku River to the International Boundary; thence following the said boundary northerly and westerly to its intersection with the northern boundary of British Columbia; thence east to the point of commencement.

## ATLIN LAKE MINING DIVISION.

Commencing at a point where the northern boundary of British Columbia intersects the height of land between Teslin and Atlin Lakes; thence south-westerly following such height of land to a point between Pike Lake and Katanee River; thence south-west to the height of land separating the drainage area of Lynn Canal and Taku Arm; thence northerly along such height of land to southern end of Tagish Lake; thence northerly following west shore of Tagish Lake to the northern boundary of the Province; thence east along such boundary to point of commencement.

## SKEENA RIVER MINING DIVISION.

Starting at a point on height of land between Borough Bay and Bradfield Channel, where such height of land is cut by the International Boundary; thence north-easterly following height of land dividing drainage area of Stikine River on the north from the drainage area of those streams emptying into the Pacific Ocean south of Cleveland Peninsula, to a point where such height of land intersects the height of land separating the water-shed of the Stikine River on the west from Black River on the east; thence south-easterly along the divide between the drainage area of the Skeena River and tributaries and Babine Lake on the west from the drainage area of the North Tlacla and Stuart Lakes and tributaries on the east, to a point where such height of land intersects the height of land forming the divide between the headwaters of the Beaver River on the north and the Nechaco River and tributaries on the south; thence north-westerly following the height of land between Beaver River and Babine Lake on the north and Decker Lake on the south; thence south-westerly following the drainage area of Francois Lake on the south and the tributaries of the Skeena River on the north; thence southerly following the height of land between the drainage area of Gardner Canal on the west from the drainage area of the Otsabunket Lake and tributaries on the east to a point on the height of land separating the drainage areas between Gardner Canal and tributaries on the north and Dean Channel and tributaries on the south; thence south-westerly following the height of land to a point north of Salmon Bay opposite Oscar Pass; thence through Oscar Pass and Millbank Sound south of Price Island; thence westerly passing to the south and west of Queen Charlotte Islands; thence northerly through Dixon Entrance, passing south of Prince of Wales Island, following Clarence Straits to Behm Channel; thence through Behm Channel to Borough Bay; thence following the International Boundary to point of commencement.

## OMENICA MINING DIVISION

Shall comprise such portions of the drainage area of the Peace River and its tributaries as may lie within this Province, the drainage areas of the Stuart River above its junction with Nechaco River and the drainage area of the Salmon above its junction with the Fraser River, and may be described as follows:—

Commencing on the eastern boundary of the Province at a point where such boundary crosses the divide separating the drainage area of the Hay River on the north, from the drainage area of tributaries of the Peace River on the south; thence westerly along height of land forming divide between the drainage area of the Hay River and tributaries of the Liard River on the north from the drainage area of the tributaries of the Peace River on the south, to a point where such height of land intersects the height of land forming the eastern boundary of the drainage area of the Skeena River; thence southerly and easterly on height of land separating drainage area of Skeena on the west from drainage areas of the Omenica and Stuart River and tributaries on the east, to a point where such height of land intersects the height of land forming divide between the drainage area of the Stuart River and tributaries on the north and the drainage area of the Nechaco River on the south; thence along such divide to a crossing of the Stuart River at a point

about one mile from where the said Stuart River empties into the Nechaco River; thence easterly along height of land between drainage area of the Nechaco on the south and the Salmon River on north, crossing the Salmon River at a point about one mile from where the said Salmon River empties into the Nechaco River and still following the height of land to a point between Summit Lake on the north and the Fraser River on the south; thence northerly and easterly along height of land dividing the drainage area of the Fraser and its tributaries on the south from the drainage area of the Peace River and its tributaries on the north, continuing to a point where the southern boundary of the water-shed of the Peace River is cut by the eastern boundary of the Province; thence north along such eastern boundary line to point of commencement.

#### CARIBOO DISTRICT.

##### QUESNELLE MINING DIVISION.

Commencing at a point on the eastern boundary of the Province at a point where the height of land between Baker and Dawson Creeks meet such boundary; thence south-westerly along such height of land to a crossing of Canoe River just below Foster Creek; thence southerly along the height of land forming the southern boundary of water-shed of Foster Creek, to a point where such height of land meets height of land forming the southern boundary of drainage area of North Thompson River and separating it from the water-shed of Adams River; thence along this height of land to a crossing of the Thompson River one mile above the junction of the Clearwater; thence along the eastern boundary of the water-shed of the Clearwater to a crossing of that river just above the junction of Mahood Creek; thence westerly along height of land dividing the drainage area of Horsefly River on the north from the drainage areas of Bridge and 111-Mile Creek on the south, crossing the Government Road at 160-Mile House, to a crossing of the Fraser River half-way between Buckskin and Meldrum Creeks; thence westerly along height of land separating the drainage area of Chilcotin River and tributaries on the south from the drainage area of the Nazco and Blackwater on the north, to a point where such height of land joins the height of land between these latter rivers and the Salmon River; thence along on such height of land to a point where such height of land meets the height of land forming the northern boundary of the drainage area of the Blackwater River; thence along such height of land to a crossing of the Blackwater at the junction of the Nazco River; thence easterly along height of land between West River and Baker's Creek to a crossing of the Fraser at a point half-way between mouths of West and Quesnelle Rivers; thence easterly following height of land dividing the drainage area of the Quesnelle River and tributaries on the south from the drainage area of the Willow and Cottonwood Rivers on the north, to a point where such height of land intersects the height of land dividing the drainage area of the South Fork of the Upper Fraser from the drainage area of the Canoe River; thence south-east along such divide to the eastern boundary of the Province; thence southerly along such eastern boundary to point of commencement.

##### CARIBOO MINING DIVISION

Shall comprise and include the drainage area of the Fraser River and all its tributaries emptying into it above a point half-way between the mouths of West River and Quesnelle River, save and except, 1st, the drainage areas of the Stuart River above its junction with the Nechaco, and of the Salmon River above its junction with the Fraser; 2nd, the drainage areas of Blackwater and Nazco Rivers above their junction; and may be described as follows:—

Starting on the eastern boundary of the Province at a point where such boundary cuts the southern boundary of the water-shed of the Peace River and its tributaries; thence proceeding westerly and southerly along the height of land separating the drainage area of the Fraser River and its tributaries on the south from the drainage area of the Peace River and its tributaries on the north, continuing to and crossing the Salmon River at a point about one mile from where the said Salmon River empties into the Nechaco River; thence westerly along height of land dividing the drainage area of the Fraser River below this point and Nechaco below the junction of the Stuart on the south from the drainage area of the Stuart and Salmon Rivers on the north, to a crossing of the Stuart River at a point about one mile from where the said Stuart River empties into

the Nechaco River; thence westerly along the height of land separating the drainage area of the Nechaco and tributaries on south from the drainage area of Stuart and Skeena Rivers and tributaries on north, to a point where such height of land intersects the height of land separating the drainage area of the Nechaco and tributaries on east from the drainage area of those streams flowing into Pacific Ocean south of Douglas Channel on west; thence southerly along such height of land to a point where it joins the height of land separating the drainage area of Nechaco River on north from drainage area of Upper Blackwater on south; thence easterly along such height of land to a point where it joins the height of land separating the drainage area of Upper Blackwater and Euehniko Rivers; thence easterly along such divide to a crossing of the Blackwater at the junction of the Nazco River; thence easterly along the height of land between West River and Baker's Creek to a crossing of the Fraser at a point half-way between mouths of West and Quesnelle Rivers; thence easterly following height of land dividing the drainage area of the Quesnelle River and tributaries on the south from the drainage area of the Willow and Cottonwood Rivers on the north, to a point where such height of land intersects the height of land dividing the drainage area of the South Fork of the Upper Fraser from the drainage area of the Canoe River; thence south-east along such divide to the eastern boundary of the Province; thence northerly along such eastern boundary to the point of commencement.

#### YALE DISTRICT.

##### ASHCROFT MINING DIVISION.

Starting at a point on the height of land south of Bonaparte Lake; thence southerly following the drainage areas between Criss Creek on the west and Copper Creek on the east, crossing the Thompson River at the outlet of Kamloops Lake; thence southerly following the height of land between Thompson River on west and Guichon Creek on east until the Nicola River is reached south of Agate Creek; thence crossing the Nicola River and following the height of land south-westerly, crossing the Fraser River midway between Quoieek Creek and Salmon River; thence following the height of land between Quoieek Creek on north and Salmon River on south to the height of land forming the divide separating the drainage areas of the Fraser River on east and Lillooet and Cayoosh Rivers on west; thence northerly following the height of land between Fraser River on east and Lillooet and Cayoosh Rivers on west, crossing the Fraser River midway between Cayoosh River and Texas Creek; thence following the drainage areas southerly between the Fraser on west and Hat Creek on the east until the southern watershed of Hat Creek is reached; thence northerly following the height of land between Hat Creek on west and Thompson River on east to a crossing of the Bonaparte River near the mouth of Hat Creek; thence easterly to the height of land between the drainage areas of the Bonaparte River on the west and Deadman's River on the east; thence northerly following the watershed between the Bonaparte River on the west and Deadman's River on the east to the height of land south of Young Lake; thence easterly to point of commencement.

##### YALE MINING DIVISION.

Starting on International Boundary, at a point where such boundary intersects height of land separating the drainage area of Skagit River from drainage area of south Similkameen River; thence northerly along height of land separating the drainage area of the Skagit and Coquihalla Rivers on west from drainage area of Similkameen on east to a point on such divide where it joins the height of land forming the southern and western boundary of drainage area of Coldwater River; thence continuing northerly following such height of land to the Nicola River; thence north-westerly following Nicola River to the height of land south of Agate Creek; thence south-westerly following the height of land to a crossing of the Fraser River, midway between Quoieek Creek and Salmon River; thence westerly following the height of land between Quoieek Creek on north and Salmon River on south, to the height of land forming the divide separating the drainage area of the Fraser River on east and Lillooet River and Harrison Lake on west; thence southerly along such height of land to a point where it joins height of land forming the eastern

boundary of watershed of Ruby Creek; thence continuing southerly along such eastern boundary to a crossing of the Fraser River at mouth of Ruby Creek; thence southerly to height of land separating drainage area of the Chilliwack River on west from drainage area of Silver Creek and Skagit River on east to the intersection of such height of land by International Boundary; thence east along such International Boundary to point of commencement.

#### KAMLOOPS MINING DIVISION.

Commencing at a point on Canoe River at just below mouth of Foster Creek; thence southerly along height of land forming the southern boundary of watershed of Foster Creek, to a point where such height of land meets height of land forming the south-east boundary of the drainage area of the North Thompson, and separating it from the watershed of Adams River; thence along this height of land to a crossing of the Thompson River, one mile above the junction of the Clearwater River; thence along the eastern boundary of the watershed of the Clearwater to a crossing\* of that river just below the junction of Mahood Creek; thence south-westerly along divide between drainage areas of Bridge Creek on the north-west, and North Thompson River on south-east; thence southerly along height of land separating drainage area of Criss Creek on the west and Copper Creek on the east crossing the Thompson River at the outlet of Kamloops Lake; thence southerly following the height of land between Thompson River on west, and Guichon Creek on east until a point on the Nicola River is reached south of Agate Creek; thence following Nicola River and Lake to its northern extremity; thence easterly following height of land between Chapperon and Salmon Lakes, continuing easterly to the Spallumcheen River at Enderby; thence following Spallumcheen River to north end of Mable Lake; thence easterly following height of land separating drainage area of Spallumcheen on south, and Eagle River on north to a point where such height of land intersects the height of land separating the drainage area of Columbia River on east from drainage area of Thompson River and tributaries on west; thence northerly following such height of land to point of commencement.

#### SIMILKAMEEN MINING DIVISION.

Starting on International Boundary at a point where such boundary intersects height of land separating the drainage area of Skagit River from drainage area of South Similkameen River; thence northerly along height of land separating the drainage area of the Skagit and Coquihalla Rivers on west from drainage area of Similkameen on east to a point on such divide where it joins the height of land forming the southern and western boundary of drainage area of Coldwater River; thence continuing northerly following such height of land to the Nicola River; thence easterly following Nicola River to Nicola Lake to its northern extremity; thence easterly along height of land between Salmon and Chapperon Lakes to a point where such height of land joins the height of land separating the drainage area of Upper Nicola and Upper Similkameen on west from drainage area of Okanagan Lake on east; thence southerly along such height of land passing between Chain and Link Lakes to a point where it joins the height of land forming the western boundary of watershed of 20-Mile Creek; thence southerly along such height of land to a crossing of the Similkameen River one mile above mouth of 20-Mile Creek; thence still continuing southerly along height of land separating the drainage area of streams flowing into the Similkameen above this point from drainage area of streams flowing in below this point to a point where such height of land is intersected by International Boundary; thence west along such International Boundary to point of commencement.

#### VERNON MINING DIVISION.

Starting on height of land separating drainage area of Kettle River from the drainage area of Okanagan River and Lake at a point where such is joined by the height of land forming northern boundary of Penticton Creek; thence westerly along such latter height of land to a crossing of Okanagan River at the outlet of Okanagan Lake; thence westerly following height of land forming north boundary of drainage area of Beaver Creek and separating it from the drainage area of Trout River on the north, continuing along divide between drainage area of Similkameen River and Okanagan Lake; thence continuing northerly along height of land between drainage area of Okanagan Lake and drainage area of Nicola River and trib-

utaries, passing along height of land between watershed of Salmon and Otter Rivers; then north-east following the Spallumcheen River to north end of Mabel Lake; thence north-easterly following height of land separating drainage area of Spallumcheen River on south from drainage area of Eagle River on north to a point where such height of land intersects the height of land separating the drainage area of Columbia River on east from drainage area of Spallumcheen and other tributaries on west; thence southerly following such height of land to a point where it joins the height of land separating drainage areas of Spallumcheen and Kettle Rivers; thence south-westerly along such height of land to a point where it joins the height of land separating the drainage area of Kettle River from the drainage area of Okanagan Lake; thence southerly to point of commencement.

#### OSOYOOS MINING DIVISION.

Starting on International Boundary at a point where such boundary intersects the height of land separating the drainage area of Kettle River and Okanagan River; thence northerly along such divide to a point where it joins the height of land forming the northern boundary of watershed of Penticton Creek; thence westerly along such height of land to a crossing of Okanagan River at outlet of Okanagan Lake; thence westerly following the height of land forming northern boundary of drainage area of Beaver Creek and separating it from the drainage area of Trout River and Okanagan River to a point where such height of land joins the height of land forming the western boundary of watershed of 20-Mile Creek; thence southerly along such height of land to a crossing of the Similkameen River one mile above mouth of 20-Mile Creek; thence still continuing southerly along height of land separating the drainage area of streams flowing into the Similkameen above this point from drainage area of streams flowing in below this point to a point where such height of land is intersected by International Boundary; thence east along such International Boundary to point of commencement.

#### KETTLE RIVER MINING DIVISION

Shall comprise that section of country within this Province forming the drainage area of the Kettle River above the point where such river is joined by Fourth July Creek.

Starting on International Boundary at a point where such boundary intersects the height of land separating the drainage area of Kettle River and Okanagan River; thence northerly along such divide to a point where it joins the height of land separating drainage area of Kettle River from drainage area of Spallumcheen River; thence easterly along such divide to a point where it joins the height of land separating the drainage area of Kettle River from drainage area of Columbia River; thence southerly along such divide to a point where it joins the height of land separating the drainage area of North Fork of Kettle River, of Fourth July Creek and of the main Kettle River below the point where such creek joins it, from the drainage area of Kettle River above such point on the west; thence southerly along such height of land to a point where it is intersected by International Boundary; thence west along such International Boundary to point of commencement.

#### GRAND FORKS MINING DIVISION

Shall comprise that section of country within this Province forming the drainage areas of North Fork Kettle River, of Fourth July Creek and of main Kettle River below the junction of such creek, and may be described as follows:—

Starting on International Boundary at a point where it intersects the height of land separating drainage area of Sheep Creek on east from the drainage area of Christina Lake and Kettle River on west; thence northerly along such divide, continuing along height of land separating drainage area of Columbia River on east from the drainage area of North Fork of Kettle River on the west to a point where such height of land joins the height of land separating drainage area of North Fork Kettle River and of the main Kettle River; thence southerly, following the divide separating the drainage area of the main Kettle River above Fourth July Creek on west, from the drainage areas of main Kettle River below and including such creek and of North Fork of Kettle River on the east, to a point where such height of land intersects the International Boundary; thence east along such International Boundary to point of commencement.

## EAST KOOTENAY DISTRICT.

## GOLDEN MINING DIVISION.

Commencing on the eastern boundary of the Province at a point where such boundary meets the height of land separating the drainage area of the Upper Kootenay River on south from the drainage area of the Kicking Horse River on north; thence south-westerly along height of land between drainage area of the Upper Kootenay and Columbia Rivers to a point where such height of land joins the height of land between Deadman and Washout Creeks; thence westerly on such height of land to the Columbia River, crossing said river to height of land between Bugaboo Creek on north and Salmon River on south; thence westerly to a point where such height of land intersects height of land forming watershed between East and West Kootenay watersheds; thence north on the height of land forming the watershed between the East and West Kootenay watersheds to a point on the Columbia River opposite the mouth of Canoe River; thence following north the Canoe River to a point between Dawson and Baker Creeks; thence following easterly such height of land to the eastern boundary of the Province; thence southerly along eastern boundary of Province to point of commencement.

## WINDERMERE MINING DIVISION.

Commencing on the eastern boundary of the Province at a point where such boundary meets the height of land separating the drainage area of the Upper Kootenay River on south from the drainage area of the Kicking Horse on north; thence south-westerly along height of land between drainage area of Upper Kootenay and Columbia Rivers to a point where such height of land joins the height of land between Deadman and Washout Creeks; thence westerly along such height of land to a crossing of the Columbia River between Bugaboo Creek on north and Salmon River on south; thence westerly along height of land between the drainage area of these creeks to a point where such height of land joins height of land separating the drainage area of Kootenay Lake on West from drainage area of Upper Columbia and Upper Kootenay Rivers on east; thence southerly along such height of land to a point where such height of land joins the height of land between St. Mary's and Skookumchuck Rivers on south and Findlay Creek on the north; thence easterly along such height of land to a crossing of the Kootenay River just below mouth of Findlay Creek; thence easterly along height of land forming divide between drainage area of streams flowing into Kootenay River above mouth of Findlay Creek from the drainage area of streams flowing into Kootenay River below mouth of Findlay Creek to a point where such height of land joins the eastern boundary of the Province; thence north-westerly along such boundary line to point of commencement.

## FORT STEELE MINING DIVISION.

Starting at a point on the International Boundary where such boundary joins the eastern boundary of the Province; thence west along International Boundary to a point where such boundary cuts the height of land separating the drainage areas of the Moyie and Goat Rivers; thence northerly along height of land separating the drainage area of Moyie and Upper Kootenay River on the East from drainage area of Goat River and Kootenay Lake on the west, to a point where such divide joins the height of land separating the drainage area of St. Mary's and Skookumchuck Rivers on south from drainage area of Findlay Creek on the north; thence easterly along such height of land to a crossing of the Kootenay River just below the mouth of Findlay Creek; thence easterly along height of land forming divide separating drainage area of streams flowing into Kootenay River above the mouth of Findlay Creek from the drainage area of streams flowing into Kootenay River below mouth of Findlay Creek to a point where such height of land joins the eastern boundary of the Province; thence south-easterly along such eastern boundary to point of commencement.

## WEST KOOTENAY DISTRICT.

## REVELSTOKE MINING DIVISION.

Commencing at a point on the Canoe River at the mouth of Foster Creek; thence following Canoe River to its junction with the Columbia River; thence crossing the Columbia at this point, proceeding south-easterly along height of land forming divide between the drainage area of the Columbia above the mouth of

Canoe River and of the Columbia below the mouth of Canoe River to a point where such height of land joins the height of land between headwaters of Downie and Carne's Creek on north and north branch of Illecillewaet on the south; thence southerly, following height of land forming western boundary of watershed of north branch of Illecillewaet to a crossing of Illecillewaet one mile below junction of north branch; thence southerly, following the height of land forming west boundary of watershed of South River to height of land between Illecillewaet and Fish Rivers; thence south-westerly along this divide to a point where such height of land joins height of land forming the southern boundary of the watershed of Akolkolex Creek; thence continuing south-westerly along such height of land to a crossing of the Columbia River one mile below mouth of Akolkolex Creek; thence west to the height of land forming divide between the drainage area of the Columbia River on east and of the Thompson River and tributaries on west; thence northerly along such height of land to a point where it joins the height of land forming southern boundary of watershed of Foster Creek; thence westerly along such height of land to the mouth of Foster Creek and point of commencement.

## ILLECILLEWAET MINING DIVISION.

Starting on height of land forming boundary between East and West Kootenay at a point where such height of land joins the height of land between headwaters of Downie and Carne's Creeks on north and north branch of Illecillewaet River on south; thence southerly following height of land forming western boundary of watershed of north branch of Illecillewaet River to a crossing of the Illecillewaet one mile below the junction of north branch; thence southerly, following height of land forming south-western boundary of watershed of South River to height of land between Illecillewaet and Fish Rivers; thence south-easterly to a crossing of Fish River one mile below mouth of Battle Creek; thence easterly along height of land forming southern boundary of such creek to a point where it joins the height of land between the Duncan and Fish Rivers; thence northerly along such height of land to the height of land forming boundary between East and West Kootenay; thence northerly along such boundary to point of commencement.

## LARDEAU MINING DIVISION.

Commencing on the height of land separating drainage area of Fish and Duncan Rivers at a point where such height of land joins the height of land forming south-western boundary of Battle Creek; thence southerly along height of land separating the drainage area of Kootenay Lake on east from drainage area of Arrow Lakes on west, to a point where such height of land joins the height of land forming southern boundary of watershed of Nucillwaet Creek; thence north-westerly following the height of land north of the Halcyon Hot Springs and south of Nucillwaet Creek to a crossing of Upper Arrow Lake; thence westerly crossing Upper Arrow Lake and following the northern boundary of watershed of Pingston Creek to a point where such height of land joins the height of land separating the drainage area of Arrow Lake and Columbia River on east from drainage area of Spallumcheen River on west; thence northerly along such height of land to the southern boundary of Revelstoke Mining Division; thence east along such southern boundary to a crossing of Columbia River one mile below mouth of Akolkolex Creek; thence north-easterly following height of land forming southern boundary of watershed of Akolkolex Creek to a point where such height of land joins the height of land forming divide between drainage area of Illecillewaet and Fish Rivers; thence continuing north-easterly along such divide to a point where it joins the height of land forming south-western boundary of watershed of South River; thence south-easterly to a crossing of the Fish River one mile below mouth of Battle Creek; thence continuing south-easterly along height of land forming south-western boundary of watershed of Battle Creek to point of commencement.

## TROUT LAKE MINING DIVISION.

Starting on the height of land forming divide between Duncan River on the east and Fish River on the west, at a point where such height of land joins the height of land separating the drainage areas of Fish River and Lardo Creek; thence southerly along height of land separating the drainage area of Duncan River on east from the drainage area of Lardo River on west, to a point on such height of land where it

joins the height of land forming southern boundary of Luke or Gallop Creek; thence south-westerly along such height of land to a crossing of Lardo River one mile below mouth of Luke or Gallop Creek; continuing south-westerly along southern boundary of watershed of Poplar Creek to the height of land forming divide between drainage area of Kootenay Lake on east and Arrow Lake on west; thence northerly following height of land separating drainage area of Lardo River and Trout Lake on east from drainage area of Arrow Lake on west; thence continuing north-easterly along height of land between drainage area of Lardo Creek and Fish Rivers to point of commencement.

#### SLOCAN MINING DIVISION

Shall comprise the drainage area of all streams flowing into Slocan Lake above a point half way between 8 and 10-Mile Creeks on the east shore of lake and above a point one-half mile above Indian Creek on west shore of lake, and may be described as follows:

Starting at a point on east shore of Slocan Lake, half way between 8 and 10-Mile Creeks; thence easterly along height of land between 8 and 10-Mile Creeks to a point where such height of land joins the height of land forming divide between drainage area of Slocan Lake and Kootenay Lake; thence northerly along such divide to a point where such divide joins the divide between drainage area of Slocan Lake and Upper Arrow Lake; thence southerly along this divide, passing between Box and Summit Lakes to a point where such divide joins height of land forming northern boundary of watershed of Indian Creeks to a point on shore of Slocan Lake half mile above mouth of Indian Creek; thence easterly, crossing Slocan Lake to a point halfway between 8 and 10-Mile Creeks to the point of commencement.

#### SLOCAN CITY MINING DIVISION

Shall comprise that area of country drained by streams flowing into Slocan Lake above (south) of a point halfway between 8 and 10-Mile Creeks on the east shore of lake and above a point one-half mile north of the mouth of Indian Creek, on west shore of lake, and also the drainage area of all streams flowing into Slocan and Little Slocan Rivers above their junction, and may be described as follows:

Starting at the junction of the Slocan and Little Slocan Rivers; thence easterly and northerly, following height of land separating drainage area of Slocan River above this point from drainage area of Kootenay River and Kootenay Outlet to a point where such height of land joins the height of land forming divide between watershed of Slocan River and Kootenay Lake; thence northerly along such height of land to a point where it joins height of land between 10-Mile Creek on south and 8 and 4-Mile Creek on north; thence westerly, following height of land between 8 and 10-Mile Creeks to a crossing of Slocan Lake to a point half a mile above Indian Creek, on west bank of such lake; thence westerly, following northern boundary of watershed of Indian Creek and northern boundary of watershed of Little Slocan River to a point where it joins the height of land separating drainage area of Little Slocan River from drainage area of the Arrow Lake; thence southerly, following such height of land continuing easterly to mouth of Little Slocan River and point of commencement.

#### AINSWORTH MINING DIVISION.

Starting on the height of land forming divide separating watershed of Kootenay River on east from Kootenay Lake on the west at a point where such divide is joined by the height of land between drainage area of Gray's and Crawford Creeks; thence northerly, following divide separating the drainage area of Kootenay and Upper Columbia Rivers on east from drainage area of those rivers emptying in Kootenay Lake on west to a point on such divide where it joins the height of land between drainage areas of Beaver Creek on the north and the Duncan River on the south; thence southerly, following the divide between the drainage areas of the Duncan River on the east and Fish River and Trout Lake on the west to a point where it joins the height of land forming southern boundary of Luke or Gallop Creek; thence along such height of land to a crossing of Lardo River one mile below mouth of Luke or Gallop Creek; continuing westerly along southern boundary of watershed of Poplar Creek to the height of land forming divide between drainage area of Kootenay Lake on east and Slocan Lake on west; thence southerly along such divide to a point on such height of land where it joins the height of land between drainage areas of

Coffee and Kokanee Creeks; thence along southern watershed of Coffee Creek to Balfour; thence crossing Kootenay Lake to Crawford Bay to a point on east shore of such latter between Grays and Crawford Creeks; thence following height of land between such creeks to point of commencement.

#### NELSON MINING DIVISION.

Commencing on International Boundary at a point where such boundary intersects the Columbia River; thence northerly, following course of such river and of Lower Arrow Lake to a point on west shore of such lake one mile south of Bowman's Creek; thence easterly, crossing Lower Arrow Lake and continuing easterly to the height of land forming divide between drainage area of Arrow Lake and Columbia River on west and Little Slocan River on east; thence easterly along such divide to a crossing of the Slocan River at the junction of the Little Slocan River; thence easterly and northerly, following height of land separating the drainage area of Slocan River above this point from drainage area of Kootenay River and Kootenay Outlet, to a point where it joins the height of land separating the drainage area of Coffee and Kokanee or Yuill Creeks; thence southerly along southern boundary of Coffee Creek to Balfour; thence southerly crossing Kootenay Inlet to Proctor's Point; thence southerly, following height of land between drainage area of Kootenay Lake on east and drainage area of Kootenay Outlet and Salmon River on west to a point where such height of land is cut by International Boundary; thence west along such International Boundary to point of commencement.

#### GOAT RIVER MINING DIVISION.

Commencing on International Boundary at a point where such boundary intersects the height of land separating the drainage areas of Moyie and Goat Rivers; thence northerly along such height of land separating drainage area of Moyie and Upper Kootenay Rivers on east from the drainage areas of the Goat River and Kootenay Lake on west to a point where such height of land joins the height of land between the drainage areas of Gray's and Crawford Creeks; thence westerly along such height of land to Crawford Bay; thence crossing Kootenay Lake to Proctor's Point; thence southerly following height of land between the drainage area of Kootenay Lake on east and drainage area of Kootenay Outlet and Salmon River on west to the point where such height of land is cut by International Boundary; thence east along such International Boundary Line to point of commencement.

#### ARROW LAKE MINING DIVISION

Shall comprise that section of country comprising the drainage area of streams flowing into the Arrow Lakes from and including Pingston Creek on the north down to and including Bowman Creek on the south, and may be described as follows:—

Commencing on the divide between Upper Arrow Lake and Lardo River at a point where such height of land joins the height of land forming the southern boundary of watershed of Kooskanax River; thence north-westerly following the height of land north of the Halyon Hot Springs and south of Nucillwaet Creek to a crossing of Upper Arrow Lake; thence still westerly following northern boundary of watershed of Pingston Creek to the height of land forming divide separating drainage areas of Spallumcheen and Kettle Rivers on west from the drainage area of Arrow Lake on east; thence southerly following such height of land to a point where such height of land joins the height of land forming southern boundary of watershed of Bowman Creek; thence easterly along such height of land to a point one mile south of mouth of Bowman Creek; thence east, crossing Arrow Lake and continuing to the height of land forming divide between drainage areas of Arrow Lake on west and Little Slocan and Slocan River on east; thence northerly and easterly along such divide to a point where it joins the height of land dividing drainage area of Arrow Lake on west from Kootenay Lake on east to point of commencement.

#### TRAIL CREEK MINING DIVISION.

Commencing at a point on the Columbia River at International Boundary; thence northerly following course of such river and of Lower Arrow Lake to a point on the west shore of such lake one mile south of Bowman's Creek; thence westerly following height of land forming southern boundary of watershed of Bowman's Creek to a point where such height of land

joins the height of land forming divide between drainage areas of Columbia River on the east and drainage area of Kettle River and its tributaries on the west; thence southerly along such divide to a point where it joins the height of land separating the drainage area of Sheep Creek from drainage area of Christina Lake; thence still southerly following such height of land to its point of intersection with International Boundary; thence east along such International Boundary to point of commencement.

#### NANAIMO DISTRICT.

##### NANAIMO MINING DIVISION.

Commencing at the north end of Lanz Island; thence easterly through Slingsby Channel and Seymour Inlet to North Arm of Seymour Inlet; thence north and east following the height of land forming the water-shed of all rivers flowing into the Pacific Ocean south of Seymour Inlet from those flowing into the Pacific Ocean north of Seymour Inlet to the height of land forming the drainage area between those rivers flowing into the Pacific Ocean from those flowing easterly; thence southerly following the height of land forming the drainage area between all those rivers flowing into the Pacific Ocean south of Seymour Inlet and north of Hotham Sound on the west from the drainage area of the Chilcotin, Chilco River and Lake, Jervis Inlet and tributaries on the east; thence following Hotham Sound, Thunder Bay, Malaspina Straits, Straits of Georgia, passing to south of Valdez and Kuper Islands to the north boundary of Chemainus District; thence west along this same boundary to height of land forming the water-shed between Nanaimo and Cowichan Rivers; thence following the height of land on Vancouver Island forming the divide between eastern and western water-sheds of such island to Cape Scott and thence to point of commencement.

#### ALBERNI DISTRICT.

##### ALBERNI MINING DIVISION.

Commencing at Amphitrite Point; thence northerly along height of land separating drainage area of those streams emptying into Pacific Ocean north of such point from the drainage area of those streams emptying into Barclay Sound, following such height of land to a point where such height of land joins the height of land separating drainage area of streams emptying into Pacific Ocean on west from drainage area of streams emptying into Straits of Georgia on east; thence southerly along such height of land to a point where it joins the height of land separating drainage area of Nitinat River and Lake on east from drainage area of those streams flowing into Alberni Canal and Barclay Sound on the west; thence south-westerly along such height of land to Pacific Ocean; thence by Pacific Ocean, including Coast Islands to Amphitrite Point and point of commencement.

##### WEST COAST VANCOUVER ISLAND MINING DIVISION.

Commencing at Amphitrite Point; thence northerly along height of land separating drainage area of those streams emptying into Pacific Ocean north of such point from drainage area of those streams emptying into Barclay Sound, following such height of land to a point where it joins the height of land separating drainage area of those streams emptying into Pacific Ocean on west from drainage area of streams emptying into Straits of Georgia on east; thence north-westerly along such divide to Cape Scott; thence by Pacific Ocean, including all Coast Islands, to point of commencement.

#### LILLOOET DISTRICT.

##### CLINTON MINING DIVISION.

Starting at the junction of Mahood Creek with the Clearwater; thence westerly along height of land dividing the drainage area of Horsefly River on north from the drainage area of Bridge and 111-Mile Creeks on the south, crossing the Government Road at the 160-Mile House to a crossing of the Fraser River halfway between Buckskin and Meldrum Creeks; thence westerly along height of land separating the drainage area of the Nazco and Blackwater Rivers on north from the drainage area of the Chilcotin and its tributaries on the south to a point where such height of land joins the height of land separating the drainage

area of the latter rivers from the drainage areas of those rivers flowing into the Pacific Ocean between Howe Sound and Bunker's Channel; thence southerly and easterly along this divide to height of land between Big Creek on the north and Bridge River on the south to a crossing of the Fraser River halfway between Kelly's and Pavilion Creeks; thence easterly along height of land dividing watershed of Pavilion Creek from that of the Bonaparte River, continuing westerly and southerly along the height of land between Hat Creek and Fraser River, continuing northerly along height of land between the drainage area of Hat Creek and the Thompson River to a crossing of the Bonaparte River at the mouth of Hat Creek; thence easterly to height of land separating the drainage area of the Bonaparte above this point from the drainage area of the Thompson River, continuing north-easterly along divide between the drainage area of Bridge Creek on the north-west from Thompson River on the southeast to point of commencement at junction of Mahood Creek with the Clearwater.

##### LILLOOET MINING DIVISION.

Starting at the Fraser River at a point half way between Kelly's and Pavilion Creeks; thence easterly along height of land dividing water-shed of Pavilion Creek from that of the Bonaparte River, continuing westerly and southerly along the height of land between Hat Creek and the Fraser River to a point where such divide meets the southern boundary of watershed of Fountain Creek; thence westerly to a crossing of the Fraser at a point half way between Cayoose River and Texas Creek; thence south-west along the southern boundary of the drainage area of the Cayoose River and Lillooet Lake to the south end of Lillooet Lake; thence westerly and northerly along the height of land dividing the drainage areas of the Lillooet Lake, Upper Lillooet and Bridge Rivers on the east from the drainage area of those streams where such height of land meets the height of land forming divide between the drainage area of Bridge River on south and Big Creek on north; thence easterly along such divide to the point of commencement.

#### BELLA COOLA DISTRICT.

##### BELLA COOLA MINING DIVISION.

Starting at a point on Millbank Sound south of Price Island; thence proceeding north-east through Oscar Pass to a point north of Salmon Bay on the mainland; thence northerly, following the drainage areas between Gardner Canal and tributaries on north and Dean Channel and tributaries on south, to the height of land at a point where it joins the height of land forming divide separating the drainage area of the Nechaeo and Blackwater Rivers on the east from the drainage area of streams emptying into Pacific Ocean between Millbank Sound and Oscar Pass and Seymour Inlet; thence southerly along such height of land to a point where it joins the height of land separating the drainage area of those streams flowing into the Pacific Ocean north of Seymour Inlet from the drainage area of those streams flowing into Pacific Ocean south of Seymour Inlet; thence south-westerly along such divide to north-east Arm of Seymour Inlet; thence still south-westerly by Seymour Inlet and Slingsby Channel to Queen Charlotte Sound; thence northerly to place of commencement, including all islands adjacent to the mainland.

#### NEW WESTMINSTER DISTRICT.

##### NEW WESTMINSTER MINING DIVISION.

Starting on International Boundary at a point where it intersects the height of land separating the drainage area of Chilliwack and Skagit Rivers; thence west along such International Boundary to Straits of Georgia; thence northerly by Straits of Georgia and Malaspina Straits, Thunder Bay and Hotham Sound to the northern end of Hotham Sound; thence northerly along height of land separating the drainage area of streams flowing into Jarvis Inlet on east from drainage area of streams emptying into Pacific Ocean north of Jarvis Inlet on the west to a point where such height of land joins the height of land separating the drainage area of Chilco River and Lake on north from drainage area of streams flowing into Jarvis Inlet on south; thence easterly along such height of land to a point where it joins the height of land separating the drainage area of Bridge River and Lillooet Lake and River on east from drainage area of

streams emptying into Jarvis Inlet and Howe Sound on west; thence southerly and easterly along such divide to a point at south end of Lillooet Lake; thence easterly to height of land separating the drainage area of Lillooet River and Harrison Lake on west from drainage area of Fraser River on east; thence southerly along such height of land to a point where it joins height of land forming the eastern boundary of watershed of Ruby Creek; thence continuing southerly along such eastern boundary to a crossing of Fraser River at mouth of Ruby Creek; thence southerly to height of land separating drainage area of the Chilliwack River on west from drainage area of Silver Creek and Skagit River on east to the intersection of such height of land by International Boundary and point of commencement.

### VICTORIA DISTRICT.

#### VICTORIA MINING DIVISION.

Commencing at a point in Portier's Pass between Valdes and Galiano Islands; thence south-westerly, passing to south of Kuper Island to the northern boundary of the Chemainus Land Recording Division; thence west along such northern boundary to a point where it intersects the height of land separating the drainage area of Cowichan Lake from drainage area of Nanaimo River; thence north-westerly along such height of land to a point where it joins the height of land separating the drainage area of the Nitinat River and Lake on east from drainage area of those streams flowing into Alberni Canal and Barclay Sound on west; thence south-westerly along such height of land to the Pacific Ocean; thence by Straits of San Juan de Fuca, Haro Straits, Gulf of Georgia, to point of commencement.

**N**OTICE is hereby given that transcripts should be made of all records of claims affected by the redefinition of the Boundaries of the Mining Divisions, notwithstanding such claims may have become vacant or abandoned.

### DOMINION PARLIAMENT.

#### PARLIAMENT OF CANADA.

#### EXTRACTS FROM RULES OF THE SENATE AND HOUSE OF COMMONS, RELATING TO PRIVATE BILLS.

**A**LL applications for Private Bills require a notice over the signature and address of the applicants or of their solicitors, clearly and distinctly specifying the nature and object of the application, published by advertisement as follows, viz.:—In the *Canada Gazette*, and in one newspaper published in the County, District, Union of Counties or Territory, affected by the proposed measure, or if there be no newspaper published therein, then in a newspaper in the next nearest County, District or Territory in which a newspaper is published. In the Provinces of Quebec and Manitoba the notice must be published in the like manner in the English and French languages. All notices shall be continued for a period of at least two months during the interval of time between the close of the next preceding Session and the consideration of the petition. Marked copies of (all) the newspapers, endorsed "Application for Private Bills," containing the first and last insertion of such notice shall be sent to the Clerk of each House.

In the case of an application for the erection of a toll bridge the notice shall also state the proposed rates of toll, the nature of the structure, the height

of the arches, the interval between the abutments or piers, etc.

A copy of the Bill shall be deposited with the Clerk of the House in which the Bill is to originate at least eight days before the meeting of Parliament, with a sum sufficient to pay for translating and printing the same; and a further sum of two hundred dollars and the cost of printing the Act with the Statutes will be levied immediately after the second reading of the Bill.

Petitions for Private Bills must be presented to the Senate and House of Commons within the first three weeks of the session.

Private Bills are to be presented to the Senate or House of Commons within the first four weeks of the session.

EDOUARD J. LANGEVIN,  
*Clerk of the Senate.*

JNO. GEO. BOURINOT,  
*Clerk of the House of Commons.*

#### SPECIAL RULE OF THE SENATE.

49. (c.) When a Bill is to operate in more than one Province, Territory or District the notice shall be published in *The Canada Gazette* and in a leading newspaper in each Province, Territory or District in which the Bill is to operate.

#### STANDING ORDER.

When any bill confirming a deed, lease, agreement or other instrument, is brought up or presented to the Senate, such deed, lease, agreement or other instrument shall be set forth in the Bill by way of Schedule or otherwise.

EDOUARD J. LANGEVIN,  
*Clerk of the Senate.*

#### EXTRACTS FROM SPECIAL RULES OF THE HOUSE OF COMMONS.

Private Bills shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills.

Private Bills in amendment of Acts, or for Acts incorporating railway companies, shall be drawn in accordance with the Model Bill adopted by the House, copies of which may be obtained from the Clerk.

Provisions varying the Model Bill shall be inserted between brackets, and when revised by the proper officers, shall be so printed.

Sections of existing Acts proposed to be amended shall be reprinted in full, with the amendments inserted in their proper places and between brackets.

Private Bills which are not drawn in accordance with these rules shall be returned to the promoters to be re-cast before being revised and printed.

Exceptional provisions shall be clearly specified in the notice of application.

A certified map or plan showing the location of any proposed line of railway, also the lines of existing or authorised work of a similar character within, or in any way affecting, the district which the proposed work is intended to serve, and an exhibit showing the amount of capital proposed to be raised for the undertaking, and the manner in which it is proposed to raise the same, shall be filed with the Railway Committee at least one week before the consideration of the Bill.

#### SPECIAL ORDER OF THE HOUSE OF COMMONS.

*Resolved*, that the Clerk of the House do have a copy of the new Rule 49 sent to those persons giving notice in *The Canada Gazette* of their intention to apply to Parliament for the passing of a Private Bill, together with a notification that the said rule will be strictly adhered to for the future:—

49. Petitions for Private Bills shall only be received by the House within the first *three weeks* of the session, and Private Bills may only be presented to the House within the first *four weeks* of the session, and it shall be the duty of any Committee to which any Private Bill may be referred to consider and report the same to the House with all convenient speed.

2. That it be an instruction to all Committees on Private Bills, in the event of promoters not being ready to proceed with their measures when the same have been twice called on *two separate occasions* for consideration by the Committee, that such measure shall be reported back to the House forthwith, together with a statement of the facts and with the recommendation that such Bills be withdrawn.

JNO. GEO. BOURINOT,  
*Clerk of the House of Commons.*

## DEPARTMENT OF MINES.

NOTICE is hereby given that a minute was approved by His Honour the Lieutenant-Governor on the 22nd day of December, 1899, ordering as follows:—

## "COMPANIES' ACT, 1897."

CERTIFICATE OF THE INCORPORATION OF THE "THEO GOLD-COPPER MINES, LIMITED," "NON-PERSONAL LIABILITY."

*Capital \$500,000.*

I HEREBY CERTIFY that the "Theo Gold-Copper Mines, Limited," "Non-Personal Liability," has this day been incorporated under the "Companies' Act, 1897," as a Limited Company, with a capital of five hundred thousand dollars, divided into two million shares of twenty-five cents each.

The registered office of the Company will be situate in the Town of Cranbrook, British Columbia.

The time of the existence of the Company is fifty years.

The Company is specially limited under section 56 of the said Act.

The objects for which the Company has been established are:—

"To work, operate, buy, sell, lease, locate, acquire, procure, hold and deal in mines, metals and mineral claims of every kind and description within the Province of British Columbia; to carry on and conduct a general mining, smelting and reduction business; to purchase, acquire, hold, erect and operate electric light and power plants for the purpose of furnishing lights and creating power; to bond, buy, lease, locate and hold ditches, flumes and water rights; to construct, lease, buy, sell, build, or operate tramways or other means of transportation for transportation of ore, mining and other minerals; to own, bond, buy, sell, lease and locate timber and timber claims; and finally to do everything consistent, proper and requisite for the carrying out of the objects and purposes aforesaid, in their fullest and broadest sense, within the territory named:

Nothing hereinbefore contained shall give, or be construed to give, to this Company any greater or further powers than are permitted to a company incorporated as a company, having non-personal liability, under the "Companies Act, 1897," and all the objects hereinbefore expressed are hereby restricted to acquiring, managing, developing, working and selling mines, mineral claims and mining properties, and the winning, getting, treating, refining and marketing of mineral therefrom."

## "COMPANIES ACT, 1897."

CERTIFICATE OF THE INCORPORATION OF "THE WESTERN MERCANTILE COMPANY, LIMITED."

*Capital, \$50,000.*

I HEREBY CERTIFY that "The Western Mercantile Company, Limited," has this day been incorporated under the "Companies' Act, 1897," as a limited Company, with a capital of fifty thousand dollars, divided into five hundred shares of one hundred dollars each.

The registered office of the Company will be situate in the City of Nelson, British Columbia.

The objects for which the Company has been established are:—

(a.) To acquire, by purchase or otherwise, the assets, whether consisting of real or personal property, belonging to the partnership of Merrill DesBrisay and Henry Alan Bulwer (doing business under the name, style and firm of "M. DesBrisay & Co."), at the City of Nelson, British Columbia, and to acquire, as aforesaid, their business and good-will and the assets of every kind connected with the said partnership at said City of Nelson, or any part thereof, and to pay for the same either in cash or in fully paid-up shares of the Company, or partly in cash or partly in such shares, and to hold, work, manage, improve, sell, turn to account, or otherwise dispose of or deal with the same or any interest therein; and to enter into any contract or contracts to render the Company liable for the debts, engagements and liabilities of said partnership, or such portion thereof as may be determined,

and to indemnify the said partnership against payment of the same; to acquire, as aforesaid, from the partnership, or by or through the same all right and title, interest and benefit of the said partnership in and to any and all leases, rights, privileges and other contracts and benefits entered into, exercised, held or enjoyed by the said partnership, with relation to premises occupied by them or otherwise howsoever, on such conditions, and on such terms, as to price and payment (whether in cash or in stock or otherwise) as shall be determined by the respective parties:

(b.) To carry on, either solely or in conjunction with any other person, firm or corporation, a general mercantile business in all its branches; and in particular to buy, sell, manufacture, exchange and deal in groceries, provisions, produce, consumable articles and foodstuffs, ice, dry goods, clothing, boots, shoes, furniture and furnishings, hardware, crockeryware, jewelry, miners' supplies and other supplies, drugs, stationery, fruits, confectionery, fancy goods, novelties, tobaccos, meats, books, and other articles of merchandise, or as general dealers or otherwise, at wholesale and at retail; to carry on the business of storage, cold storage, commission merchants, warehousemen, bakers, confectioners, or any other business which may be conveniently carried on in connection with any of the objects for which this Company is formed; and to conduct and carry on all or any of the businesses or objects hereinbefore or hereinafter mentioned, at the said City of Nelson, and at such other place or places in British Columbia or elsewhere as the Company may deem proper:

(c.) To engage in the preparation, packing, preserving, pickling, curing or canning of meats, fish, fruits, vegetables and other produce and provisions, and the manufacture and bottling of soda waters, mineral waters, aerated waters, and syrups:

(e.) To acquire by purchase, gift, pre-emption, exchange or otherwise howsoever any and all real estate, lands, tenements, water rights and privileges, and to hold, work, manage, improve, sell, charge, encumber, mortgage, lease, sub-let, or otherwise dispose of or deal with the same or any of them or any part thereof or any interest therein:

(f.) To apply for, obtain and hold any and all free miners' licence or licences; to locate, record, purchase, lease, bond or otherwise acquire any and all mineral claims, mineral lands, mines, mining interests and mining property; to excavate, mine, work, operate, develop and otherwise deal with the same, or any of them, in the ordinary way or scope of mining operations or mining business, and to conduct and carry on any and all metallurgical and other operations in connection therewith necessary or conducive to the Company's objects or any of them; to win, get, keep, refine, market, sell or otherwise dispose of or deal with any and all ore, metals, or mineral substances resulting from or obtained in the process of such mining, working, operating, developing or otherwise dealing with such mineral claims, mineral lands, mines, mining interests and mining property, or resulting from such metallurgical or other operations howsoever:

(g.) To build, construct, erect, improve, alter or repair any and all buildings, as requisite or expedient or convenient for any of the purposes of the Company within British Columbia, or at any other place where the Company shall carry on business:

(h.) To enter into partnership, or any arrangement for sharing of profits, union of interests, co-operation or joint adventure or otherwise, with any person, firm, or corporation carrying on or engaged in any business or transaction which this Company is authorised to carry on or engage in; and to acquire stock, shares, or any securities of any such company, and to sell, hold, pledge, hypothecate or otherwise deal with the same:

(i.) To lend money to such persons, firms, or corporations, and on such terms as may seem expedient, and in particular to customers and others having dealings with the Company, and to guarantee the payment of the contracts or liabilities of any such persons, firms or corporations:

(j.) To borrow, or raise, or secure the payment of money in such manner as the Company shall deem fit, and in particular by the issue of debentures or debenture stock, preferred, common, or deferred, charged upon any or all of the Company's property, both present and future, including its unsubscribed capital, and to redeem or pay off any such securities. To borrow, raise or secure payment of money on the security of the whole or any part of the property belonging to the Company, to such an amount or amounts

and at such times and on such terms as may be necessary for the purposes of the Company, and to execute and deliver mortgages, bonds, bills of sale, debentures or other securities for the same, or to secure the same by deposit of title deeds or otherwise :

(k.) To borrow money upon bills of exchange, promissory notes or other negotiable or transferable instruments, bills of lading, warehouse receipts, agreements or securities mentioned or provided for in the "Bank Act," or other obligations or securities of the Company, and to mortgage or pledge any or all of the Company's assets or uncalled capital for the purpose of securing any such loan or advance :

(l.) To draw, make, accept, indorse, discount, issue and transfer cheques, promissory notes, bill of exchange, bills of lading, warrants, warehouse receipts, debentures, stock certificates and other negotiable or transferable instruments :

(m.) To remunerate or repay any person, firm or corporation for services rendered, or which shall be rendered, or money paid or to be paid in or about the formation, promotion or incorporation of the Company or the conduct of its business :

(n.) To acquire, by surrender or otherwise howsoever, the whole or any part of the interest of any member or members of the Company therein :

(o.) To acquire by purchase, pre-emption, lease, gift or otherwise, hold, work, operate, manage, improve, sell, lease, turn to account or otherwise dispose of or deal with any timber, timber lands or timber limits ; to engage in the business of sawmillers and manufacturers of lumber, and otherwise to deal in, purchase, sell, manufacture and otherwise dispose of or deal with timber, lumber and manufactures of wood of any and every nature and kind ; to erect, equip, maintain, work and operate sawmills and mill machinery and plant of every or any kind, with all fixtures, tools, machinery and appliances necessary or convenient for any of the objects in this paragraph specified :

(p.) To pay and satisfy any obligations or liabilities of the Company by the issue of shares or stock of this or any other company, credited as fully or in part paid up, or any other securities of this or any other company :

(q.) To sell and dispose of any or all of the assets, business, property, good-will, rights, franchises and privileges of the Company, and either for money or for stock, shares, debentures or securities of any other company ; and to take, subscribe for, or otherwise acquire shares, stock, debentures or other securities of or in, or to amalgamate with, purchase, lease, or otherwise acquire, as partners or otherwise, in whole or in part, the property or business, rights, franchises and privileges of any company, partnership, person or firm, having objects or business altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as to directly or indirectly benefit this Company :

(r.) To promote any company or companies for the purpose of acquiring any or all of the assets, property, rights, privileges or liabilities of this Company, or for any other purpose which may seem direct or indirectly calculated to benefit this Company :

(s.) To establish, maintain, equip and operate branches or branch stores or offices of the Company, at such place or places, in British Columbia or elsewhere as to the Company may seem fit :

(t.) To distribute any or all of the property or assets of the Company amongst, or dispose of any of the profits of the Company to its members in specie :

(u.) To insure with any company or person against losses, damages, risks and liabilities of all kinds which may affect this Company :

(v.) To invest and deal with the moneys of the Company not immediately required, for the purposes of the Company's business, upon such securities and in such manner as may be determined :

(w.) To procure the Company to be registered, licensed, or otherwise empowered or authorised to carry on business in any other place or country :

(x.) To do any or all of the above things as principals, agents, contractors trustees, or otherwise, and by or through agents, trustees, or otherwise, and either alone or in conjunction with others :

(y.) To do all such other things as are incidental or conducive to the attainment or fulfilment of the above objects or any of them.

I HEREBY CERTIFY that "The Mountain View Copper Company, Limited," "Non-Personal Liability," has this day been incorporated under the "Companies' Act, 1897," as a Limited Company, with a capital of five hundred thousand dollars, divided into five hundred thousand shares of one dollar each.

The registered office of the Company will be situate in the City of Greenwood, British Columbia.

The time of the existence of the Company is fifty years.

The Company is specially limited under section 56 of the said Act.

The objects for which the Company has been established are :—

(a.) To purchase and acquire or agree to purchase, bond or lease mines and minerals, mining and water rights and privileges in British Columbia or elsewhere, and in particular to purchase the "Mountain View" Mineral Claim, situate in Summit Camp, in Grand Forks Mining Division of British Columbia, and to pay for the same either in cash or in shares of the Company, and to sell or otherwise dispose of the same :

(b.) To work, explore, develop and maintain the mines, minerals and other properties of the Company, and to carry on the business of miners of every description, and to raise, crush, win, get, quarry, smelt, calcine, refine, dress, amalgamate, manipulate and prepare for market ore, metal and mineral substances of all kinds, and to carry on any metallurgical operation which may seem conducive to the Company's objects or any of them, and to sell, dispose of, and deal in any ore, metal and mineral substances, either in a manufactured state or otherwise, and any minerals or substances resulting from or to be obtained in the process of smelting, refining or manufacturing the same, and either free or in combination with other substances :

(c.) To carry on the business of smelters, refiners, founders, and assayers :

(d.) To apply for, purchase, or otherwise acquire, and to use, grant licences in respect of, or otherwise turn to account any patents, brevets d'invention, licences, concessions, and the like, conferring an exclusive or non-exclusive or limited right to use, and any secret or other information, as to any invention which may seem capable of being used for any of the purposes of the Company :

(e.) To buy, or otherwise acquire minerals, plant, machinery, implements, conveniences, provisions and things capable of being used in connection with metallurgical operations, or any of the business of the Company :

(f.) To purchase, take on lease or in exchange, hire or otherwise acquire and hold lands, mines, estates, buildings, furnaces for smelting or treating ores and refining metals, mining rights, rights of way, light or water, or any other rights or privileges, machinery, businesses, good-wills, plants, stock-in-trade, or other real or personal property as may be deemed necessary to carry out the objects of this Company :

(g.) To construct, carry out, maintain, improve, manage, work, control and superintend any trails, roads, ways, tramways, bridges, reservoirs, water-courses, aqueducts, furnaces, sawmills, crushing works, smelting works, concentrating works, hydraulic works, electrical works, telegraphs, telephones, and other works and conveniences which may seem conducive to any of the objects of the Company :

(h.) To use steam, water, electricity, or any other power as a motive power or otherwise :

(i.) To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concessions, or otherwise, with any person or company carrying on or engaged in, or about to carry on or engage in, any business or transaction which this Company is authorised to carry on or engage in :

(j.) To sell or dispose of the undertaking of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for shares, debentures or securities of any other company

having objects altogether or in part similar to those of this Company :

(k.) Generally to purchase, take on lease or in exchange, hire, or otherwise acquire, any real or personal property, and any rights and privileges which the Company may think necessary or convenient for the purposes of its business, and in particular any mines, mining rights, lands, timber lands or limits, buildings, easements, machinery, plant, and stock-in-trade :

(l.) To borrow or raise money for any purpose of the Company, and for the purpose of securing the same and interest, or for any other purpose, to mortgage or charge the undertaking, or all or any part of the property of the Company, present or after acquired, or its uncalled capital, and to create, issue, make, draw, accept and negotiate perpetual or redeemable debentures or debenture stock, promissory notes, bills of exchange, bills of lading, warrants, obligations and other negotiable and transferable instruments :

(m.) To enter into any arrangements with the Government (Dominion or Provincial), or any authority, municipal, local, or otherwise, that may seem conducive to the Company's objects, or any of them, and to obtain from such government or authority any rights, privileges and concessions which the Company may think it desirable to obtain, and to carry out, exercise, and comply with, or, if deemed advisable, dispose of any such arrangements, rights, privileges and concessions :

(n.) To obtain any Act of Parliament for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution, or for any other purpose which may seem expedient, and to oppose any proceedings or applications which may seem calculated, directly or indirectly, to prejudice the Company's interests :

(o.) To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company :

(p.) To distribute any of the property of the Company among the members in specie :

(q.) To pay out of the funds of the Company all expenses of or incidental to the formation, registration and advertising of the Company, and to remunerate any person or company for services rendered or to be rendered in placing, or assisting to place, or the guaranteeing the placing of any of the shares in the Company's capital, on any debentures or other securities in the Company, or in or about the formation or promotion of the Company or the conduct of its business :

(r.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account or otherwise deal with the undertaking or all or any part of the property and rights of the Company, including the granting of powers to work any patents of the Company upon any terms, with the power to accept as the consideration any shares, stocks or obligations of any other company :

(s.) To do all such other things as are incidental or conducive to the attainment of the above objects :

(t.) Nothing hereinbefore contained shall give, or be construed to give, this Company any greater or further powers than are permitted to a company, incorporated as a company, having non-personal liability under the "Companies' Act, 1897," and all the objects hereinbefore expressed are hereby restricted to acquiring, managing, developing, working and selling mines, mineral claims and mining properties, and the winning, getting, refining, and marketing of mineral therefrom.

CERTIFICATE OF THE INCORPORATION OF THE "GREENWOOD ELECTRIC COMPANY, LIMITED."

*Capital, \$75,000.*

I HEREBY CERTIFY that the "Greenwood Electric Company, Limited," has this day been incorporated under the "Companies Act, 1897," as a Limited Company, with a capital of seventy-five thousand dollars, divided into seventy-five thousand shares of one dollar (\$1.00) each.

The registered office of the Company will be situate in the City of Greenwood, British Columbia.

The objects for which the Company has been established are :—

(a.) To carry on in the City of Greenwood or elsewhere in the County of Yale, within a radius of ten miles from the said City, the business of an Electric Light Company in all its branches, and in particular to construct, lay down, establish, fix and carry out all necessary cables, wires, lines, accumulators, lamps and works, and to generate, accumulate, distribute and supply electricity, and to light the said City of Greenwood and other places within a radius of ten miles therefrom, and any buildings, streets and places, both public and private :

(b.) To produce, sell, lease and dispose of in any manner the Company may see fit, electric light, heat or power in the said City of Greenwood, and other places within a radius of ten miles therefrom, but subject to all proper conditions imposed by the said City, and to erect, place, maintain and re-erect or renew from time to time as required, all necessary poles, wires, conduits and appliances upon, in or along the streets, lanes or highways of the said City, and in such places as may be agreed upon in the locality within ten miles from the limits of the said City, and to have at all times the right to free access to such appliances without let or hindrance :

(c.) To carry on the business of electricians, mechanical engineers, suppliers of electricity for the purposes of light, heat, motive power or otherwise, and manufacturers of and dealers in all apparatus and things required for or capable of being used in connection with the generation, distribution, supply, accumulation and employment of electricity :

(d.) To apply for and obtain exemption from taxation for the period allowed by law, of the property of the Company in the City of Greenwood, or any municipality that may hereafter be created within a radius of ten miles from the said City :

(e.) To obtain and take over all the rights, franchises and privileges vested in or granted to, or which may become vested in or granted to Duncan McIntosh, of Wellington Camp, in the District of Yale, in said Province, under any by-law or by-laws of the said City of Greenwood, or under any agreement or agreements with the said City :

(f.) To construct, maintain and alter any buildings or works necessary or convenient for the purposes of the Company :

(g.) To purchase, take on lease, or in exchange, hire, locate or otherwise acquire and hold lands, mines, estates, factories, buildings, furnaces for smelting or treating ores or refining metals, mining rights, rights of way, light or water, or any other rights or privileges, machinery, businesses, good-wills, plants, stock-in-trade, or other real or personal property that may be deemed advisable :

(h.) To construct, carry out and maintain, improve, manage and work, control and superintend any trails, roads, ways, tramways, street railways, bridges, reservoirs, water-courses, water powers, aqueducts, wharves, furnaces, saw-mills, crushing works, smelting works, concentrating works, hydraulic works, electrical works, telegraphs, telephones, gas works, factories, warehouses, and other works and conveniences which may seem directly or indirectly conducive to any of the objects of the Company, and to contribute to, subsidise or otherwise aid or take part in any such operations :

(i.) To locate water rights, and obtain water rights either by location or assignment, and to utilise such water for generating power and electricity :

(j.) To erect, construct, operate and maintain compressed air and electric works, power houses, generating plant, and such other appliances and conveniences as are necessary and proper for the generating of compressed air and electricity, and for transmitting the same to be used as a motive power for tramways or any works of the Company, or to be supplied by the Company as a motive power for hauling, propelling, pumping, lighting, heating, smelting, crushing, milling or drilling, or any other operations of any nature or kind whatever for which compressed air or electricity may be used, supplied, applied or required :

(k.) To contract with any person, body corporate or politic for supplying compressed air and electricity to any such person, body corporate or politic, or to any streets, ways, lanes, passages, tramways, mines, smelters, mills, manufactories, shops, warehouses, public or private houses, buildings and places, and from time to time lay down, carry, fit up, connect and furnish any accumulator, storage battery, cable, wire, pipes, switch, connection, branch, burner, lamp, meter

transformer or other apparatus for and in connection with any compressed air or electric main, pipe, lead or cable which for such purposes may be required, and to let any such apparatus for hire for such sum as may be agreed upon :

(l.) To undertake and carry into effect all such financial or other operations or businesses, in connection with the objects of the Company, as the Company may think fit :

(m.) To acquire and carry on all or any part of the business or property, and to undertake any liabilities of any person, firm or association, or company possessed of property suitable for the purposes of this Company, or carrying on any business which this Company is authorised to carry on, or which can be conveniently carried on in connection with the same, or may seem to the Company calculated directly or indirectly to benefit the Company, and as the consideration for the same to pay cash or to issue any shares, stocks, or obligations of this Company :

(n.) To enter into partnership, or any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concessions, or otherwise, with any person or company carrying on, or engaged in, or about to carry on or engage in, any business or transaction which this Company is authorised to carry on or engage in, or any business or transaction capable of being conducted so as to directly or indirectly benefit this Company ; and to lend money to, guarantee the contracts of, or otherwise assist any such person or company, and to take or otherwise acquire shares and securities of any such company, and to sell, hold, re-issue, with or without guarantee, or otherwise deal with the same :

(o.) To sell or dispose of the undertaking of the Company, or any part thereof, for such consideration as this Company may think fit, and in particular for shares, debentures, or securities of any other company having objects altogether or in part similar to those of this Company :

(p.) Generally to purchase, take on lease or in exchange, hire, or otherwise acquire any real or personal property, and any rights and privileges which the Company may think necessary or convenient for the purpose of its business :

(q.) To borrow or raise money for any purpose of the Company, and for the purpose of securing same and interest, or for any other purpose, to mortgage or charge the undertaking or all or any part of the property of the Company, present or after acquired, including its franchise and earnings, or its uncalled capital, and to create, make, issue, draw, accept, and negotiate perpetual or redeemable bonds, debentures or debenture stock, promissory notes, bills of exchange, bills of lading, warrants, obligations, and other negotiable and transferable instruments :

(r.) To enter into any arrangements with the Government (Dominion or Provincial), or any authority, municipal, local, or otherwise, that may seem conducive to the Company's objects or any of them, and to obtain from any such Government or authority any rights, franchise, privileges and concessions which the Company may think it desirable to obtain, and to carry out, exercise and comply with, or, if deemed advisable, dispose of any such franchise, arrangements, rights, privileges and concessions :

(s.) To obtain any Act of Parliament or Legislature for enabling the Company to carry any of its objects into effect, or for legalizing any of the acts, contracts, or agreements of the Company, or for legalizing any municipal by-law affecting the Company, or for effecting any modification of the Company's constitution, or for any other purpose which may seem expedient, and to oppose any proceedings or applications which may seem calculated, directly or indirectly, to prejudice the Company's interests :

(t.) To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as to directly or indirectly benefit this Company :

(u.) To distribute any of the property of the Company among the members in specie :

(v.) To pay out of the funds of the Company all expenses of or incidental to the formation, registration and advertising of the Company, and to remunerate any person or company for services rendered or to be rendered in placing or assisting to place, or the guaranteeing the placing of any shares in the Company's capital, or any debentures or other securities of the Company, or in or about the formation or promotion of the Company or the conduct of its business :

(w.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account, or otherwise deal with the undertaking, or any part of the property and rights of the Company (including the granting of powers to work any patents of the Company upon any terms), with power to accept as the consideration any money, shares, stocks or obligations of any other company :

(x.) To do all such other things as are incidental or conducive to the attainment of the above objects.

(b.) To work, explore, develop and maintain the mines, minerals and other property of the Company, and to carry on the business of miners of every description, and to raise, crush, win, get, quarry, smelt, calcine, refine, dress, amalgamate, manipulate and prepare for market ore, metal and mineral substances of all kinds, whether the property of the Company or not, in British Columbia and elsewhere, and to carry on any metallurgical operations which may seem condu-

cive to the Company's objects or any of them, or which may seem capable of being lawfully or profitably carried on in connection with the other business of the Company, and to sell, dispose of, and deal in any ore, metal and mineral substances, either in manufactured state or otherwise, and any minerals or substances resulting from, or to be obtained in the process of smelting, refining, or manufacturing the same, and either free or in combination with other substances :

(c.) To carry on the business of smelters, refiners, founders, assayers, dealers in bullion, metals, and products of smelting of every nature and description :

(d.) To apply for, purchase, or otherwise acquire, and to use, grant licences in respect of, or otherwise turn to account, any patents, brevets d'invention, licences, concessions, and the like, conferring an exclusive or non-exclusive or limited right to use, or any secret or other information as to any invention which may seem capable of being used for any of the purposes of the Company, or the acquisition of which may seem calculated, directly or indirectly, to benefit this Company :

(e.) To buy, sell, manufacture and deal in minerals, plant, machinery, implements, conveniences, provisions and things capable of being used in connection with metallurgical operations, or any of the business of the Company, or required by workmen and others employed by the Company :

(f.) To purchase, take on lease or in exchange, hire or otherwise acquire and hold lands, mines, estates, factories, buildings, furnaces for smelting or treating ores and refining metals, mining rights, rights of way, light or water, or any other rights or privileges, machinery, businesses, goodwills, plants, stocks-in-trade, or other real or personal property, as may be deemed advisable :

(g.) To construct, carry out, maintain, improve, manage, work, control, and superintend any trails, roads, ways, tramways, bridges, reservoirs, water-courses, aqueducts, wharves, furnaces, saw-mills, crushing works, smelting works, concentrating works, hydraulic works, electrical works, telegraphs, telephones, gas-works, factories, warehouses, ships, vessels, and other works and conveniences which may seem, directly or indirectly conducive to any of the objects of the Company, and to contribute to, subsidise or otherwise aid or take part in any such operations :

(h.) To use steam, water, electricity, or any other power as a motive power or otherwise :

(i.) To clear, manage, farm, cultivate, irrigate, plant, build on or otherwise work, use or improve any land which, or any interest in which, may belong to the Company ; to deal with any farm or other products of any land of the Company, and to lay out cities, or towns, or villages on any lands of the Company :

(j.) To undertake and carry into effect all such financial or other operations or businesses in connection with the objects of the Company, as the Company may think fit :

(k.) To acquire and carry on all or any part of the business or property, and to undertake any liabilities of any person, firm or association, or company possessed of property suitable for the purposes of this Company, or carrying on any business which this Company is authorised to carry on, or which can be conveniently carried on in connection with the same, or may seem to the Company calculated, directly or indirectly, to benefit the Company, and as the consideration for the same to pay cash or to issue any shares, stocks or obligations of this Company :

(l.) To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concessions or otherwise with any person or company carrying on or engaged in, or about to carry on or engage in, any business or transaction which this Company is authorised to carry on or engage in, or any business or transaction capable of being conducted so as to directly or indirectly benefit this Company ; and to lend money to, guarantee the contracts of, or otherwise assist any such person or company, and to take or otherwise acquire shares and securities of any such company, and to sell, hold, re-issue, with or without guarantee, or otherwise deal with the same :

(m.) To sell or dispose of the undertaking of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for shares, debentures, or securities of any other company

having objects altogether or in part similar to those of this Company :

(n.) To promote any other company or companies for the purpose of acquiring all or any of the property and liabilities of the Company, or for any other purpose which may seem directly or indirectly calculated to benefit this Company :

(o.) CERTIFICATE OF THE INCORPORATION OF THE "AMERICAN CORPORATION, LIMITED," "NON-PERSONAL LIABILITY."

*Capital, \$200,000.*

I HEREBY CERTIFY that the "American Corporation, Limited," "Non-Personal Liability," has this day been incorporated under the "Companies' Act, 1897," as a Limited Company, with a capital of two hundred thousand dollars, divided into two million shares of ten cents each.

The registered office of the Company will be situate in the City of Rossland, British Columbia.

The Company is specially limited under section 56 of the said Act.

The objects for which the Company has been established are:—

(a.) To acquire, manage, develop, work and sell mines, mineral claims, and mining properties, and to win, get, treat, refine and market mineral therefrom, and in connection therewith, and as conducive and incidental thereto:

(b.) To ratify, enter and carry into effect, with or without modification, alteration or amendment, an agreement which has been already entered into between the owners of the "Joseph Leister" and "City of Cleveland" Mineral Claims, situate in the Trail Creek Mining Division of West Kootenay District, in the Province of British Columbia, and which agreement has for its object the conveyance to this Company of said mineral claim and mining property, on the terms and conditions in said agreement mentioned:

(c.) To purchase, lease, take in exchange, locate or otherwise acquire in the name of the Company, or in the name or names of any other person or persons, any other mining properties, mineral claims, mining rights, privileges, claims, mineral ores, minerals, tailings, concentrates, alluvial deposits, water rights, water grants, mining lands, and to prospect, develop, work, manage or otherwise turn the same to account in any manner the Company may deem expedient, and for any of the above purposes or otherwise to exercise any of the hereinafter mentioned powers and objects of the Company:

(d.) To search, prospect for, examine, explore, quarry, win, get, purchase, treat, refine and market ores, minerals and metalliferous substances, and to extract, reduce, crush, smelt, manipulate, and treat the same, and by any process or means whatever to obtain gold, silver, copper, lead, galena and other minerals, metals, or other valuable substances therefrom, or prepare the same for market, and to carry on the business of miners and workers and winners of minerals and metals:

(e.) To purchase, hire, make, construct or otherwise acquire, provide, maintain, alter, erect, improve, manage and work any roads, tramways, railways, bridges, piers, wharves, wells, reservoirs, flumes, water-courses, aqueducts, shafts, tunnels, furnaces, crushing mills, works for production and supply of electric light, power or energy, hydraulic works, chemical works of any kind, smelters, smelting plants, ore refineries, matting plants, warehouses, workshops, factories, dwellings, houses or other buildings, engines, machinery, ships, boats, barges, implements, stocks, goods, and other works, conveniences and property of any description in connection with, or for the use in, or for promoting any branch of the Company's business, or for developing, utilizing, or turning to account any of the Company's property, and to contribute to, subsidize, or otherwise assist in or take part in the maintenance, improvement, management, working, control or superintendence of any such works and conveniences:

(f.) To acquire and undertake the whole or any part of the business, property and liabilities of any person or company carrying on business which this Company is authorised to carry on, or possessed of property suitable for the purposes of this Company:

(g.) To pay for any property acquired, or agreed to be acquired, by the Company, and generally to satisfy any payment due by or obligation of the Company by the issue of shares of this or any other company:

(h.) To sell or dispose of the undertaking of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for

shares, debentures or securities of any other company having objects similar to those of this Company:

(i.) To promote any company or companies for the purpose of acquiring all or any of the property and liabilities of this Company:

(j.) To take or otherwise acquire and hold shares in any other company having objects similar to those of this Company:

(k.) To borrow, raise, or secure the payment of money as the Company shall think fit:

(l.) To pay the expenses of and incident to the foundation, incorporation, and establishment of the Company, and to remunerate any Director of the Company, or any person or persons, for services rendered, or to be rendered, in or about the formation or promotion of the Company, or the conduct of its business, floating of its shares and stock, or otherwise, and such payments and remuneration may be in cash or by the allotment of fully paid shares, or in any other manner as the Company may determine:

(m.) To draw, make, accept, indorse, discount, execute, and issue promissory notes, bills of lading, warrants, debentures, and other negotiable or transferable instruments:

(n.) To allot and apportion any or all of the unissued capital stock or shares of the Company as the Company may think fit:

(o.) To engage, employ, and pay prospectors, mining experts, mining engineers, miners, assayers, surveyors, counsel, solicitors and other persons who may be useful, or supposed to be useful, in forwarding the interests of the Company, or any of its objects:

(p.) To procure the Company to be registered or reorganized in any foreign country, or in the United Kingdom, and elsewhere abroad:

(q.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account, or otherwise deal with all or any part of the property and rights of the Company:

(r.) Generally to purchase, take on lease, or in exchange, hire, or otherwise acquire any real or personal property, and any rights and privileges which the Company may think necessary or convenient for the purposes of the Company:

(s.) To do all or any of the above things in any part of the world, and as principals, agents, contractors, trustees, or otherwise, and either alone or in conjunction with others:

(t.) To do all such things as are incidental or conducive to the attainment of the above objects.

The Company is specially limited under section 56 of the said Act.

The objects for which the Company has been established are:—

(a.) To purchase, take on lease, locate, or otherwise acquire, and to sell or otherwise dispose of, lease or deal with any mineral claims, mineral lands, mines, mining rights, and any real estate in the Province of British Columbia or elsewhere, or any part of the same, and to pay for the same either in money or in fully paid-up shares of the Company, or partly in money and partly in shares as aforesaid or otherwise:

(b.) To raise, crush, win, get, quarry, smelt, calcine, treat, refine, dress, amalgamate, manipulate and prepare for market, ore, metal and mineral substance of all kinds, whether the property of the Company or not, in British Columbia or elsewhere, and to carry on any metallurgical operations which may seem conducive to the Company's objects or any of them, or

which may seem capable of being usefully or profitably carried on in connection with the business of the Company, and to sell, dispose of and deal in any ore, metal and mineral substances resulting from, or to be obtained in the process of milling, crushing, smelting, refining or treating the same, and either free or in combination with other substances :

(c.) To construct, carry out, maintain, improve, manage, work, control, and superintend any trails, roads, ways, tramways, reservoirs, water-courses, bridges, aqueducts, wharves, furnaces, saw-mills, smelting, refining or crushing works, air compressor works, concentrating works, hydraulic works, factories, warehouses, steam boats, tugs, and other conveniences which may seem directly or indirectly conducive to any of the objects of the Company, or to contribute to, subsidise or otherwise aid and take part in such operations :

(d.) To acquire, dispose of and deal in minerals, plant, machinery, implements, conveniences, provisions and things capable of being used in connection with metallurgical operations, or any of the business of the Company, or required by workmen and others employed by the Company :

(e.) To purchase, take or lease or in exchange, hire or otherwise acquire and hold lands, mines, factories, buildings, furnaces for smelting or treating ores and refining metals, mining rights, water rights, rights of way, light or water, or any other rights or privileges, machinery, businesses, goodwill, plants, stock-in-trade, or any other real or personal property as may be deemed advisable. (2.) To use steam, water, electricity, or any other power as a motive power or otherwise :

(f.) To carry on the business of smelters, miners, refiners, founders, assayers, manufacturers and distributors of compressed air, dealers in bullion, metals, and products of mining, smelting or refining of every nature and description :

(g.) To clear, manage, build on, or otherwise work, use and improve any land which, or any interest in which, may belong to the Company; to deal with any product of any land of the Company; to lay out cities, or towns, or villages on any lands of the Company :

(h.) To acquire and carry on all or any part of the business or property, and to undertake any liabilities of any person, firm or associations, or company possessed of property suitable for the purposes of the Company, or carrying on any business which this Company is authorised to carry on, and as the consideration for the same to pay cash or to issue any shares, stocks or obligations of this Company :

(i.) To undertake and carry into effect all such financial, trading or other operations or businesses in connection with the objects of the Company as the Company may think fit :

(j.) To enter into partnership or into any arrangement for sharing profits, union of interest, co-operation, joint adventure, reciprocal concessions, or otherwise, with any person or company carrying on or engaged in, or about to carry on or engage in, any business or transaction which the Company is authorised to carry on or engage in, or any business or transaction capable of being conducted so as to directly or indirectly benefit this Company, and to lend money to, guarantee the contracts of, or otherwise assist any such person or company, and to take or otherwise acquire shares and securities of any such company, and to sell, hold, re-issue, with or without guarantee, or otherwise deal with the same :

(k.) To sell or dispose of the undertaking of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for shares, debentures, or securities of any other company having objects altogether or in part similar to those of this Company :

(l.) To promote any company or companies for the purpose of acquiring all or any of the property and liabilities of this Company, or for any other purpose which may seem, directly or indirectly, calculated to benefit this Company :

(m.) Generally to purchase, take or lease, or exchange, or hire or otherwise acquire any real or personal property, and any rights or privileges which the Company may think necessary or convenient for the purposes of its business, and in particular any mines, mining rights, lands, timber lands or limits, buildings, easements, machinery, plant and stock-in-trade :

(n.) To borrow or raise money for any purpose of the Company, and for the purpose of securing the same and interest, or for any other purpose, to mortgage and charge the undertakings of all or any part of

the property of the Company, present or after acquired, and to create, issue, make, draw, accept and negotiate perpetual or redeemable debentures, or debenture stock, promissory notes, bills of exchange, bills of lading, warrants, obligations, and other negotiable and transferable instruments for the purposes of the Company, and to give, enter into, or deal with any of the securities mentioned in or covered by the "Bank Act" :

(o.) To enter into any arrangement with any Government or any authority, municipal, local or otherwise, that may seem conducive to the Company's objects, or any of them, and to obtain from such Government or authority any rights, privileges or concessions which the Company may think it desirable to obtain, and to carry out, exercise, and comply with, or, if deemed desirable, dispose of any such arrangements, rights, privileges, concessions and franchises :

(p.) To obtain any Act of Parliament, for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution, or for any other purpose which may seem expedient, and to oppose any proceedings or applications which may seem calculated, directly or indirectly, to prejudice the Company's interests :

(q.) To distribute any of the property of the Company among the members in specie :

(r.) To pay out of the funds of the Company all expenses incidental to the formation, registration and advertising of the Company and the issue of its capital, including brokerage and commissions for obtaining application for, or placing shares, and to apply, at the cost of the Company, to Parliament for any extension of the Company's powers :

(s.) To procure the Company to be registered in any place or country :

(t.) To do all such other things as are incidental or conducive to the attainment of the above objects :

(u.) Nothing hereinbefore contained shall give, or be construed to give, this Company any greater or further powers than are permitted to a company incorporated as a company, having non-personal liability, under the "Companies Act, 1897," and all the objects hereinbefore expressed are hereby restricted to acquiring, managing, developing, working and selling mines, mineral claims and mining properties, and the winning, getting, treating, refining and marketing of mineral therefrom.

To purchase, take in exchange, or on lease, hire, or otherwise acquire, in any part of the world, for any estate or interest, any buildings, lands, easements, rights, privileges, machinery, plant, stock-in-trade, utensils, and real and personal property of any kind necessary or convenient for the Company's business, and to buy, sell, import, export and deal in merchandise of all kinds:

(d.) To construct, erect, maintain and improve, or aid in and subscribe towards the construction, erection, maintenance and improvement of tramways, roads, bridges, reservoirs, tanks, dams, watercourses, manufactories, residences, telegraphs, shafts, wharves, canals, harbours, buildings, shops, stores, stables, machinery, and other works and appliances, which may be necessary or convenient for the purposes of the Company, and to contribute to, subsidise or otherwise take part in or assist the construction, erection, maintenance and improvement thereof:

(e.) To promote, make, provide, acquire, take on lease or agreement, lease, let, grant running powers over, work, use and dispose of railways, tramways and other roads, ways and means of access to any part or parts of the property of the Company, and to contribute to the expense of promoting, making, providing, acquiring, working and using the same:

(f.) To make, build, purchase, acquire, lease, sell, exchange, hire, charter, use or let, piers, harbours, steamers, ships, tugs, and other shipping appliances, or contribute to the cost of the making or repairs thereof for any of the purposes of the Company:

(g.) To make and carry into effect contracts or arrangements with any landowner, railway company, shipping company, carrier, and other companies and persons, for any of the purposes of the Company:

(h.) To apply for, purchase, or otherwise acquire any contracts, decrees and concessions for or in relation to the searching for and exploitation of gold and other minerals, and the equipment, improvement, management, administration, or control of any gold or other mines, railways, tramways, roads or other works or undertakings:

(i.) To apply for, purchase, or otherwise acquire any patents, brevets d'invention, licenses, contracts, concessions and the like, conferring an exclusive, or non-exclusive, or limited right to use any invention which may seem capable of being used for any of the purposes of the Company, or the acquisition of which may seem calculated, directly or indirectly, to benefit this Company, and to use, exercise, develop, grant licenses in respect of, or otherwise turn to account the property, rights and inventions so acquired:

(j.) To purchase or otherwise acquire and undertake all or any part of the business, property and liabilities of any person or company carrying on any business which this Company is authorised to carry on, or possessed of property suitable for the purposes of this Company:

(k.) To enter into any arrangement with any government or authorities, supreme, municipal, local, or otherwise, and to obtain from any such government or authority all rights, concessions and privileges that may seem conducive to the Company's objects, or any

of them, and to procure the Company to be registered or recognized in South Africa or elsewhere abroad :

(l.) To enter into partnership or into any arrangement for sharing profits, union of interests, joint adventure, reciprocal concession or co-operation with any person or company carrying on, or engaged in, or about to carry on or engage in any business or transaction which this Company is authorised to carry on, or engage in any business or transaction capable of being conducted so as, directly or indirectly, to benefit this Company ; and to take or otherwise acquire and hold shares or stock in or securities of, and to subsidise or otherwise assist any such company, and to sell, hold, re-issue, with or without guarantee, or otherwise deal with such shares or securities :

(m.) To establish and support, or to aid in the establishment and support of, associations, institutions or conveniences calculated to benefit persons employed by the Company or having dealings with the Company, and to subscribe or guarantee money for charitable or benevolent objects, or for any exhibition, or for any public, general or useful object :

(n.) To sell the undertaking of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for shares, debentures, or securities of any other company :

(o.) To promote any company or companies for the purposes of acquiring all or any of the property, rights and liabilities of this Company, or for any other purpose which may seem directly or indirectly calculated to benefit this company, and to subsidise or otherwise assist any such company :

(p.) To invest and deal with the moneys of the Company not immediately required upon any securities and in any manner, and to carry on and execute all kinds of financial, trading, commercial and other operations :

(q.) To lend money to such parties and on such terms as may seem expedient, and in particular to persons having dealings with the Company, and to guarantee the performance of contracts by members of or persons having dealings with the Company :

(r.) To obtain Act of Parliament or other Statute or concessions, British or foreign, for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution :

(s.) To raise or borrow, or secure the payment of money in such manner and on such terms as may seem expedient and, in particular, by the issue of bonds, debentures, or debenture stock, either perpetual or terminable, and either redeemable or otherwise, and either charged or secured upon the undertaking and property of the Company, both present and future, including uncalled capital, or upon some specific part or parts thereof, or without any such charge or security, and to confer any special rights and privileges on the holders of bonds, debentures or debenture stock, or upon trustees for them :

(t.) To draw, accept, indorse, discount, execute and issue bills of exchange, promissory notes, debentures, bills of lading, warrants and other negotiable or transferable instruments or securities :

(u.) To remunerate any persons for services rendered or to be rendered in placing, or assisting to place, any shares, debentures, debenture stock or other securities of the Company, or in or about the formation or promotion of the Company, or the further or future issue of shares, debenture stock or other securities, or the conduct of its business :

(v.) To accumulate funds and to admit any person or persons to participate in the profits or income of the Company, and to make donations to such persons and in such cases as may seem expedient :

(w.) To distribute any of the assets for the time being of the Company among the members of the Company :

(x.) To acquire, by surrender or otherwise, the whole, or any part of the interest, other than shares of the Company, of any member of the Company therein :

(y.) To do all or any of the above things in any part of the world, and either as principals, agents, trustees, contractors or otherwise, and either alone or in conjunction with others, and either by or through agents, sub-contractors, trustees or otherwise :

(z.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account, or otherwise deal with all or any part of the property and rights of the Company :

(aa.) To undertake all kinds of trust and agency business :

(bb.) To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as directly or indirectly to benefit this Company, and the same to deal and dispose of :

(cc.) To do all such other things as are incidental or conducive to the attainment of the above objects, and so that the word "company" in this clause shall be deemed to include any partnership or other body of persons, whether incorporated or not incorporated and whether domiciled in the United Kingdom or elsewhere, and it is intended that the objects respectively specified in each paragraph of this clause shall be in no wise limited or restricted by reference to or inference from the terms of any other or others of the said paragraphs.

The objects for which the Company has been established are :—

(a.) To purchase or otherwise acquire and work any lands, mines, mining or mineral claims, mining rights, grants, concessions, leases, easements, or interests in lands, waters, mines, minerals, mining or mineral claims, mining rights and other hereditaments in British Columbia or elsewhere, and any property, real or personal, movable or immovable, for purposes incidental thereto, or to any other objects of the Company :

(b.) To prospect and search for, get, win, work and raise, either within the area aforesaid, or elsewhere, copper and other ores, metals, minerals or substances, and to carry on the business of miners, millers, smelters, and workers of any processes in the production, reduction, and making merchantable, of ores, minerals, metals, metallic products, suppliers of water, merchants and manufacturers and workers of any minerals, metals, articles and things used in or in connection with mining, milling, smelting, and other processes aforesaid, or any of them :

(c.) To search for mines and minerals, and to acquire and grant licences and other rights and privileges for the purposes of, or in respect of, the search for or winning and getting of copper or other ores, metals, or minerals :

(d.) To purchase, take on lease, or in exchange, hire, or otherwise acquire any real or personal property, live or dead stock, or any easements, rights, privileges or concessions, or any interest therein, necessary or convenient for the Company's business, or for developing or utilising any of the Company's property, and to explore, work, and develop the same :

(e.) To acquire, erect, construct, or hire and maintain and work any buildings, plant, engines, machinery, fixtures, mills, roads, railways, tramways, canals, creeks, shafts, ditches, or other works which may be necessary or advisable for the purposes of the Company, whether on land of the Company or not :

(f.) To undertake and carry into effect all such financial, commercial, trading, or other operations or businesses in connection with the objects of the Company, as the Company may think fit :

(g.) To acquire any inventions capable of being used for any purpose connected with any of the businesses or operations of the Company, or the licence or right to use the same, and to acquire or cause to be applied for and obtained, any letters patent or concessions or privileges of an analogous character, whether British or foreign, in respect of any such inventions, and to grant and issue licences for the use of any such invention or inventions, upon such terms and conditions as may be considered expedient :

(h.) To amalgamate with any other company having objects altogether or in part similar to the objects of this Company, or to acquire and undertake the whole or any part of the business, properties, and liabilities of any person or company carrying on any business which this Company is authorised to carry on, or possessed of property suitable for the purposes of this Company :

(i.) To pay for any property or business purchased or otherwise acquired in shares (to be treated as either wholly or partly paid up), or debentures or debenture stock of the Company, or in money, or partly in shares or debentures or debenture stock, and partly in money; and, with the like sanction, to accept in payment for any part or for the whole of the property of the Company sold or otherwise disposed of, shares, bonds, or debentures of any other company or companies :

(j.) To improve, manage, develop, let or sell, or otherwise dispose of, charge or deal with, in any manner whatsoever, all or any part or parts of the property of the Company, or any rights or easements in or over the same :

(k.) To acquire by original subscription or otherwise, and to hold and sell, or otherwise dispose of, shares, stock, debentures, or debenture stock, or any interest in the revenues or profits of any company, corporation, partnership or person carrying on any business capable of being conducted so as directly or indirectly to benefit this Company, and, upon any return of capital, distribution of assets, or division of profits, to distribute such shares, stock, debentures, or debenture stock, among the members of this Company in kind :

(l.) To borrow or raise money for the purposes of the Company, and to execute and issue bonds or debentures, or debenture stock, to bearer or otherwise, mortgages and other instruments for securing the repayment thereof, or for any other purpose, with or without charge upon all or any of the property of the Company or its uncalled capital, and upon such terms as to priority or otherwise, as the Company shall think fit :

(m.) To establish or promote, or concur in establishing or promoting, any other company whose object shall include the acquisition and taking over of all or any part of the property, assets or liabilities of this Company, or shall be in any manner calculated to enhance, either directly or indirectly, the interests of the Company, and to acquire and hold shares, stock, or securities of, or guarantee the payment of any securities issued by, or any other obligations of any such company :

(n.) To lend, invest, and deal with the moneys of the Company not immediately required upon such securities, or without security, and in such manner as from time to time may be determined :

(o.) To make, accept, indorse, and execute promissory notes, bills of exchange, and other negotiable instruments :

(p.) To apply for, obtain, accept, adopt, and carry into effect, any Acts of Parliament, provisional orders, concessions, contracts, grants, decrees, powers or privileges which may be deemed necessary or desirable for facilitating the objects, or any of the objects, of the Company :

(q.) To procure the Company to be registered, or incorporated, or otherwise domiciled, represented, or recognised in British Columbia, or in any other place where it may be necessary or expedient so to do :

(r.) To hold in the names of others any property which the Company is authorised to acquire, and to carry on or do any of the businesses and acts and things aforesaid, either as principal or agent, and either by the agency of or as agents or trustees for others :

(s.) To pay all expenses of and incident to the formation of the Company, and to remunerate and make donations (by cash or other assets or by the allotment of fully or partly paid shares, or in any other manner) to any person or persons for services rendered, or to be rendered, in introducing any property or business to the Company, or in placing, or

assisting to place, any shares, debentures, or other securities of the Company, or for any other reason which the Company may think proper :

(t.) To execute and do generally all such other things as the Company may at any time consider conducive to the carrying out or attainment of the above objects, or any of them.

Given under my hand and seal of office at Victoria, Province of British Columbia, this 22nd day of December, one thousand eight hundred and ninety-nine.

NOTICE OF ASSIGNMENT.

PURSUANT TO THE "CREDITORS' TRUST DEEDS ACT," AND AMENDING ACTS.

NOTICE is hereby given that Charles H. Macdonald, heretofore trading as a general merchant in the City of Nelson, B.C., has, by deed dated the 26th day of December, 1899, assigned all his personal estate, credits, and effects which may be seized and sold under execution, and all his real estate, to S. M. Brydges, of the said City of Nelson, accountant, in trust for the benefit of his creditors. The said deed was executed by the said Charles H. Macdonald and the said S. M. Brydges on the 26th day of December, 1899. All persons having claims against the said Charles H. Macdonald are required on or before the 26th day of February, 1900, to send to the trustee full particulars of the same, duly verified, together with the securities (if any) held by them.  
Notice is hereby further given that after the said 26th day of February, 1900, the trustee will proceed to distribute the proceeds of the trust estate among the parties entitled thereto, having regard only to the claims of which he has received notice, and that he will not be liable for the proceeds of the trust estate, or any part thereof, so distributed, to any person of whose claim he has not had notice at the time of the distribution.  
Dated at Nelson, B.C., the 27th day of December, 1899.  
S. M. BRYDGES,  
Assignee.

Notice is hereby given that a meeting of the creditors of Charles H. Macdonald will be held at the offices of Messrs. Bowes & Wragge, solicitors, Baker Street, Nelson, B. C., on Monday, the 15th day of January, 1900, at the hour of three o'clock in the afternoon.

NOTICE OF ASSIGNMENT.

PURSUANT TO THE "CREDITORS' TRUST DEEDS ACT," AND AMENDING ACTS.

NOTICE is hereby given that Albert C. Fry, lately carrying on the business of a grocer, at 111, Columbia Avenue, Rossland, British Columbia, has, by deed bearing date the 18th day of December, A.D. 1899, assigned all his personal estate, credits, and effects to John Jackson, Jr., of 23, Columbia Avenue West, in said City, financial agent, in trust to pay off the debts and liabilities of the said debtor, ratably and proportionately, and without preference or priority. The said deed was executed by the said Albert C. Fry and the said John Jackson, Jr., the debtor and trustee, respectively, on the 18th day of December, A.D. 1899. All persons having any claims against the said Albert C. Fry are required on or before the 10th day of January, 1900, to deliver to the trustee vouchers and particulars of the same, duly verified by statutory declarations, together with particulars of any security which may be held by them, and all persons indebted to the said Albert C. Fry are required to pay the amounts to the said trustee forthwith. And notice is hereby given that after the said 10th day of January, A.D. 1900, the trustee will proceed to distribute the assets among those parties who are entitled thereto, having regard only to the claims of which he shall have had due notice.

A meeting of the creditors will be held at the law office of W. J. Nelson, 23, Columbia Avenue West, in the City of Rossland, B. C., on Monday, the 10th day of January, A.D. 1900, at the hour of three o'clock in the afternoon.

NOTICE OF ASSIGNMENT.

PURSUANT TO THE "CREDITORS' TRUST DEEDS ACT," AND AMENDING ACTS.  
NOTICE is hereby given that Thomas Stanley Humphreys and John Whistance Pittock, trading under the firm name of Humphreys & Pittock, as merchants, on Baker Street, Nelson, British Columbia, have by deed bearing date the 12th day of December, 1899, assigned all their personal estate, credits and effects (both partnership and private) which may be sold under execution, and all their real estate (both partnership and private) to Webster Foreman Traves, of the City of Nelson, British Columbia, contractor, in trust, as trustee for creditors (both partnership and private), for the purpose of distribution amongst the said creditors according to law. The said deed of assignment was executed by the said Thomas Stanley Humphreys and John Whistance Pittock, and by the said Webster Foreman Traves, on the said 12th day of December, 1899.  
And further take notice that a meeting of the said creditors will be held at the office of Galliher & Wilson, solicitors, Baker Street, Nelson, B. C., on Friday, the 22nd day of December, 1899, at the hour of two o'clock in the afternoon.  
All creditors are required on or before the 30th day of December, 1899, to file their claims with the trustee, duly proved, as provided by the said Act, stating the amount and nature thereof, the nature of any security held by them, and the character of liability thereof, and the valuation placed thereon. In default of the said trustee receiving satisfactory proof thereof any creditor is liable to have his claim barred.  
Dated at Nelson, B. C., this 13th day of December, A.D. 1899.

## PROVINCIAL PARLIAMENT.

## PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO  
PRIVATE BILLS.

## RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be pro-

vided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$  inches by 7 $\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. One hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

Dated 16th November, 1899.

**CERTIFICATES OF INCORPORATION.**

No. 421.

"COMPANIES ACT, 1897."

CERTIFICATE OF THE INCORPORATION OF "THE PEACHLAND TOWNSITE AND IRRIGATION COMPANY, LIMITED."

*Capital \$100,000.*

I HEREBY CERTIFY that "The Peachland Townsite and Irrigation Company, Limited," has this day been incorporated under the "Companies Act, 1897," as a Limited Company, with a capital of one hundred thousand dollars, divided into four thousand shares of twenty-five dollars each.

The registered office of the Company will be situate in Peachland, Province of British Columbia.

The objects for which the Company has been established are:—

(a.) To acquire, in any lawful manner, lands, tenements, and hereditaments, and to hold, use, manage, irrigate, clear, cultivate, subdivide, file plans thereof, and other things necessary and incidental to the business of a land company, and improve the same, and to sell, mortgage, lease, sublet, or otherwise dispose of the same, or any part thereof, or any interest therein, and receive and take mortgages or other security for unpaid purchase moneys:

(b.) The carrying on the business of a "power company" within the meaning of Part IV. of the "Water Clauses Consolidation Act, 1897," at Peachland and its vicinity, subject, however, to the powers, limitations, and regulations provided for in sub-section (1) of section 132 of the "Water Clauses Consolidation Act, 1897," that is to say:—

(1.) That the Company shall, upon and after its incorporation, be governed by the provisions of the "Companies Clauses Act, 1897," to the exclusion of all the provisions of the "Companies Act, 1897":

(2.) That the Company may, upon the conditions and to the extent and in the manner prescribed in such memorandum, exercise the powers contained and referred to in sections 5, 21, 43, 44, 55, 70, 75, 78, 103, 114, 115, and 118 of the said "Companies Clauses Act, 1897":

(c.) The acquisition under the "Water Clauses Consolidation Act, 1897," of water and water power by records of unrecorded water, or by the purchase of water records or water privileges for, and the application of such water and water power to, all or any of the purposes, and in any of the manners and methods following, that is to say:—

(1.) For rendering water and water power available for use, application, and distribution by erecting dams, increasing the head of water in any existing body of water, or extending the area thereof, diverting the waters of any stream, pond, or lake into any other channel or channels, laying or erecting any line of flume, pipe, or wire, constructing any raceway, reservoir, aqueduct, weir, wheel, building, or other erection or work which may be required in connection with the improvement and use of the said water and

water power, or by altering, renewing, extending, improving, repairing, or maintaining any such works, or any part thereof:

(2.) The use of water or water power for hydraulic mining purposes, and for milling, manufacturing, industrial, irrigation, agricultural, and mechanical purposes other than the generating of electricity:

(3.) The use of water or water power for producing any form of power, or for producing and generating electricity for—

(aa.) The purposes of light, heat, and power:

(bb.) Constructing, operating, and maintaining electric works, power houses, generating plant, and such other appliances and conveniences as are necessary and proper for the generating of electricity or electric power, or any other form of developed power, and for transmitting the same to be used by the Company, or by person or company contracting with the Company therefor, as a motive power for the operation of motors, machinery, electric lighting or other works, or to be supplied by the Company to consumers for heating or as a motive power for propelling tramways, or for driving, hauling, lifting, pumping, lighting, crushing, smelting, drilling, and milling, or for any other operations to which it may be adapted, or to be used or supplied for or in connection with any other purposes for which electricity or electric power may be applied or acquired:

(cc.) Placing, sinking, laying, fitting, maintaining, and repairing electric lines, accumulators, storage batteries, electric cables, mains, wires, pipes, switches, connections, branches, electric motors, dynamos, engines, machines, or other apparatus or devices, cuts, drains, water-courses, pipes, poles, buildings, and other erections or works, and erecting and placing any electric line, cable, main, wire, or other electric apparatus, above or below ground:

(dd.) Constructing, equipping, operating, and maintaining telegraph and telephone systems and lines:

(ee.) Constructing, equipping, operating, and maintaining electric, cable, or other tramways or street railways for the conveyance of passengers and freight:

4. The supplying of compressed air, electricity, and electric power, or any other form of developed power, to consumers for any purposes to or for which compressed air or electric power may be applied or required:

(C.) The acquisition, holding, enjoying, and exercising, subject to the provisions of the "Water Clauses Consolidation Act, 1897," of all the rights, powers, privileges, priorities in and by Part IV. of or otherwise by said Act conferred upon power companies so far as the Company may deem the same necessary for its purposes, or any of them:

(D.) Generally to purchase, take on lease or in exchange, hire, or otherwise acquire any real or personal property, and any rights or privileges which the Company may think necessary or convenient for the purposes of its business:

(E.) To promote any company or companies for the purpose of acquiring all or any of the property and liabilities of this Company, or for any other purpose which may seem directly or indirectly calculated to benefit this Company:

(F.) To lend and invest the moneys of the Company not immediately required, and to make advances for the purposes of this Company on stocks, shares or other securities, and on property of all kinds, and in such manner as from time to time may be determined:

(G.) To borrow or raise money for any purpose of the Company:

(H.) To draw, make, accept, indorse, discount, and issue promissory notes, bills of exchange, bills of lading, warrants, and other negotiable or transferable instruments:

(I.) To enter into any arrangements with the government (Dominion or Provincial), or any authority, municipal, local or otherwise, that may seem conducive to the Company's objects or any of them, and to obtain from any such government or authority any rights, privileges, concessions, and to acquire from any concessionaire any subsidies, charters, rights, privileges, or concessions, which the Company may think it desirable to obtain, and to carry out, exercise, and comply with, or, if deemed advisable, dispose of any such arrangements, charters, rights, privileges, and concessions:

(J.) To obtain any Act of Parliament for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution, or for any other purpose which may seem expedient, and to oppose any proceedings or applica-

tions which may seem calculated, directly or indirectly, to prejudice the Company's interests:

(K.) To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as, directly or indirectly, to benefit this Company:

(L.) To distribute any of the property of the Company among the members in specie:

(M.) To pay out of the funds of the Company the costs of or incidental to the formation, registration and advertising of the Company, and to remunerate any person or company for services rendered, or to be rendered, in placing, or assisting to place, or the guaranteeing the placing of, any of the shares in the Company's capital, or any debentures or other securities of the Company, or in or about the formation or promotion of the Company, or the conduct of its business:

(N.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account, or otherwise deal with the undertaking, or all or any part of the property and rights of the Company, with power to accept as the consideration any shares, stocks or obligations of any other company:

(O.) To do all such other things as are incidental or conducive to the attainment of the above objects.

Given under my hand and seal of office at Victoria, Province of British Columbia, this 28th day of December, one thousand eight hundred and ninety-nine.

"COMPANIES ACT, 1897."

CERTIFICATE OF THE INCORPORATION OF "THE YELLOWSTONE MINES, LIMITED."

Capital, \$750,000.

I HEREBY CERTIFY that "The Yellowstone Mines, Limited," has this day been incorporated under the "Companies' Act, 1897," as a Limited Company, with a capital of seven hundred and fifty thousand dollars, divided into seven hundred and fifty thousand shares of one dollar (\$1.00) each.

The registered office of the Company will be situate in the District of West Kootenay, British Columbia.

The objects for which the Company has been established are:—

(a.) To search for, prospect, examine and explore mines and ground supposed to contain minerals or precious stones, and to search for and obtain information in regard to mines, mining claims, mining districts and localities; to purchase, take on lease or concession, or otherwise any interest therein, and to hold, sell, dispose of and deal with lands or hereditaments of any tenure, gold, silver, copper, lead, tin, quicksilver, iron, stone, coal or other mines, mining, water, timber and other rights, and, generally, any property supposed to contain minerals or precious stones of any kind, and undertakings connected therewith, and to explore, work, exercise, develop, finance and turn to account the same:

(b.) To search for, win, quarry, assay, crush, wash, dress, reduce, amalgamate, smelt, refine and prepare for market metalliferous quartz and ore, and other mineral and metal substances, and precious stones, and for this purpose to buy or otherwise acquire buildings, plant, machinery, implements, appliances and tools; to buy, sell, manipulate, export and deal in ores, minerals and metals of all kinds, and precious stones; and generally to institute, carry on, enter into, assist or participate in any mining and metallurgical operations and undertakings connected therewith:

(c.) To purchase or otherwise acquire, hold, sell, exchange, turn to account, dispose of and deal in real and personal property of all kinds, and in particular lands, buildings and hereditaments, business concerns and undertakings, mortgages, charges, annuities, patents, patent rights, copyrights, licences, securities, grants, charges, concessions, leases, contracts, options, policies, book debts and claims, and any interest in real or personal property, and any claims against such property or against any persons or company; and to finance and carry on any business concern or undertaking so acquired:

(d.) To promote, acquire, construct, equip, maintain, improve, work, manage or control, or aid in or subscribe towards the promotion, acquisition, construction, equipment, maintenance, improvement, working, management or control of works, undertakings and operations of all kinds, both public and private, and in particular roads, tramways, railways,

telegraphs, telephones, cables, ships, lighters, harbours, piers, docks, quays, wharves, warehouses, bridges, viaducts, aqueducts, reservoirs, embankments, water-works, water-courses, canals, flumes, irrigations, drainage, saw-mills, crushing mills, smelting works, iron, steel, ordnance, engineering and implement works, hydraulic works, gas and electric lighting, electrical works, power supply, quarries, collieries, coke ovens, foundries, furnaces, factories, carrying undertakings by land and water, markets, exchanges, mints, public and private buildings, newspaper and publication establishments, hotels, residences, stores, shops and places of amusement, recreation or instruction, whether for the purposes of the Company or for sale or hire to or in return for any consideration from any other company or persons:

(e.) To undertake and carry on any business transaction or operation commonly undertaken or carried on by financiers, promoters of companies, bankers, underwriters, concessionaires, contractors for public and other works, capitalists or merchants; and to carry on any other business which may seem to the Company capable of being conveniently carried on in connection with any of the objects of the Company, or which may be thought calculated directly or indirectly to enhance the value of or render profitable any of the Company's property or rights:

(f.) To purchase or otherwise acquire, hold, sell, manipulate, exchange, turn to account, dispose of and deal in agricultural, plantation, forestal, fishing and trading rights; and in all or any products of farms, plantations, forests, fisheries, and the earth, including animals, grain, provisions, fruits, cotton, wool, silk fibres, tobacco, coffee, tea, sugar, timber, rubber, oils, chemicals, explosives, drugs, dyestuffs, nitrates, petroleum, bullion, copper, lead, tin, quicksilver, iron, coal, stone and merchandise and commodities of all kinds, either for immediate or future delivery, and whether in a crude state or manufactured, or partly manufactured or otherwise; and to advance money at interest upon the security of all or any such products, merchandise and commodities, and to carry on business as merchants, importers and exporters:

(g.) To transact and carry on all kinds of agency and commission business, and in particular to collect moneys, royalties, revenue, interest, rents and debts; to negotiate loans; to find investments; and to issue and place shares, stocks, bonds, debentures, debenture stocks or securities:

(h.) To subscribe for, purchase or otherwise acquire, hold, sell, exchange, dispose of and deal in shares, stock, bonds, debentures, debenture stock or obligations of any company, whether British, colonial or foreign, or of any authority, supreme, municipal, local or otherwise:

(i.) To guarantee the payment of money secured by or payable under, or in respect of bonds, debentures, debenture stock, contracts, mortgages, charges, obligations and securities of any company, whether British, colonial or foreign, or of any authority, supreme, municipal, local or otherwise, or of any persons whomsoever, whether corporate or unincorporate:

(j.) To guarantee the title to or quiet enjoyment of property, either absolutely or subject to any qualifications or conditions, and to guarantee companies or persons interested, or about to become interested, in any property against any loss, actions, proceedings, claims or demands in respect of any insufficiency or imperfection or deficiency of title, or in respect of any incumbrances, burdens or outstanding debts:

(k.) To furnish and provide deposits and guarantee funds required in relation to any tender or application for any contract, concession, decree, enactment, property or privilege, or in relation to the carrying out of any contract, concession, decree or enactment:

(l.) Generally to carry on and transact every kind of guarantee business and indemnity business, and to undertake obligations of every kind and description, and also to undertake and execute trusts of all kinds:

(m.) To receive moneys, securities and valuables of all kinds on deposit at interest or otherwise, or for safe custody, and generally to carry on the business of a Safe Deposit Company:

(n.) To lend money to such parties and on such terms, with or without security, as may seem expedient, and in particular to customers of and persons having dealings with the Company; and to guarantee the performance of contracts by members of or companies having dealings with the Company; and to draw, accept, indorse, discount, issue, buy, sell, and deal in bills of exchange, promissory notes, drafts, bills lading, coupons, warrants and other negotiable or

transferable instruments; and to buy, sell and deal in bullion, specie and coin:

(o.) To enter into any arrangement with any government or authorities, supreme, municipal, local or otherwise, and to obtain from any such government or authority any rights, concessions, charters and privileges which may be thought conducive to the Company's objects or any of them:

(p.) To purchase or otherwise acquire and undertake all or any part of the business, property or goodwill and liabilities of any company, corporation, society, partnership or persons carrying on, or about to carry on, any business which this Company is authorised to carry on, or which is in any respect similar to the objects of this Company, or which is capable of being conducted so as directly or indirectly to benefit this Company, or possessed of property deemed suitable for the purposes of this Company; and to enter into partnership or into any arrangement with respect to sharing of profits, union of interests or amalgamation, reciprocal concession or co-operation, either in whole or in part, with any such company, corporation, society, partnership or persons:

(q.) To dispose of by sale, lease, underlease, exchange, surrender or otherwise, absolutely, conditionally or for any limited interest, all or any part of the undertaking, property, rights, or privileges of the Company as a going concern or otherwise, to any public body, company, society or association or to any person or persons for such consideration as the Company may think fit, and in particular for any stock, shares, debentures, debenture stock, securities or property of any other company:

(r.) To promote or form or assist in the promotion or formation of any other company or companies, either for the purpose of acquiring, working or otherwise dealing with all or any of the property, rights and liabilities of this Company, or any property in which this Company is interested, or for any other purpose, with power to assist such company or companies by paying or contributing towards the preliminary expenses, or providing the whole or part of the capital thereof, or by taking or subscribing for shares, preferred, ordinary or deferred therein, or by lending money thereto upon debentures or otherwise; and further to pay out of the funds of the Company all expenses of and incidental to the formation, registration, advertising and establishment of this or any other company, and to the issue and subscription of the share or loan capital, including brokerage and commission for obtaining application for, or placing, or guaranteeing the placing of the shares, or any debentures, debenture stock or other securities of this or any other company: and also all expenses attending the issue of any circular, or the printing, stamping and circulating of proxies or forms to be filled up by the shareholders of this, or connected with this or any other company; and to undertake the management and secretarial or other work, duties and business of any company on such terms as may be determined:

(s.) To obtain or in any way assist in obtaining any Provisional Order or Act of Parliament or other necessary authority for enabling this or any other company to carry any of its objects into effect, or for effecting any modification of this or any other company's constitution; to procure this or any other company to be legalized, registered or incorporated, if necessary, in accordance with the laws of any country or state in which it may, or may propose to carry on operations; to open and keep a colonial or foreign register or registers of this or any other company in any British Colony or Dependency, or in any foreign country, and to allocate any number of the shares in this or any other company to such register or registers:

(t.) To give the call of shares and to confer any preferential or special right to the allotment of shares on such terms and in such manner as may seem expedient:

(u.) To distribute any of the property or assets of the Company among the members in specie or otherwise:

(v.) To do all or any of the above things in any part of the globe, either as principals, agents, contractors, trustees or otherwise, and either alone or in conjunction with others, and either by or through agents, sub-contractors, trustees or otherwise, with power to appoint a trustee or trustees, personal or corporate, to hold any property on behalf of the Company, and to allow any property to remain outstanding in such trustee or trustees:

(w.) To do all such other things as are incidental or may be thought conducive to the attainment of the

above objects or any of them, and so that the word "Company" in this Memorandum, when applied otherwise than to this Company shall be deemed to include any partnership or other body of persons, whether corporate or unincorporate, and wherever domiciled, and the objects specified in this Memorandum shall, save as herein otherwise expressed, be regarded as independent objects, and accordingly shall be in nowise limited or restricted (except where otherwise expressed in such paragraph) by reference to the objects indicated in any other paragraph, or the name of the Company, but may be carried out in as full and ample a manner, and construed in as wide a sense as if each of the said paragraphs defined the objects of a separate, distinct and independent company:

(x.) In the attainment of the above objects or any of them, to issue paid-up shares or partly paid-up shares of the Company, or to enter into any contracts for the issue of paid-up shares or partly paid-up shares of the Company in lieu of or in addition to money or other valuable consideration in the purchase, lease, exchange or acquisition of property or rights by the Company, or in discharge or satisfaction of any debt, claim, lien or charge of any kind against the Company.

DOMINION OF CANADA, PROVINCE OF  
BRITISH COLUMBIA.

IN THE MATTER OF THE "COMPANIES' ACT, 1890,"  
AND AMENDING ACTS, AND IN THE MATTER OF  
THE GREAT WESTERN MINES, LIMITED LIABILITY.

We, the undersigned, William B. Pool and Augustus Henry Holdich, both of the City of Revelstoke, British Columbia, pursuant to the requirements of the above Acts, hereby certify:—

1. That the capital stock of the above named Great Western Mines, Limited Liability, is now fixed at the sum of \$1,000,000, divided into 1,000,000 shares of the par value of one dollar each.

2. That a meeting of the shareholders of the said Great Western Mines, Limited Liability, was called for the purpose of increasing the capital stock of said Company from the said sum of \$1,000,000 to the sum of \$1,250,000, by a written notice signed by a majority of the trustees of the said Company, namely, Thomas Kilpatrick, William B. Pool, and A. E. Kincaid.

3. That the said notice, so signed, specified as one of the objects of the said meeting, the increasing of the said capital stock as aforesaid, and the amount to which it was so proposed to increase it and the time and place for holding the said meeting was also set out in the said notice.

4. That the said notice, a true copy whereof is hereto annexed and marked "A," was published for at least once a week for four consecutive weeks, namely, on the 18th and 25th days of November, 1899, and on the 2nd, 9th, 16th and 23rd days of December, 1899, in the Revelstoke Herald newspaper, being a newspaper published in the electoral district where the principal place of business of the said Company is situated.

5. We further certify that in pursuance of the said notice, a meeting of the shareholders of the said Company was held at the office of the said Company, at Revelstoke, B. C., on the 23rd day of December, 1899, at the hour of 2 o'clock in the afternoon.

6. That the undersigned William B. Pool, the President of the said Company, was the Chairman of the said meeting, and the undersigned Augustus Henry Holdich, was the Secretary of the said meeting and is the Secretary of the said Company.

7. That at the said meeting, over 835,700 shares of the capital stock of the said Company were represented, the same being more than two-thirds of all the shares of stock of said Company.

8. We further certify that at such meeting it was proposed by John J. Young, seconded by Thomas Kilpatrick, both shareholders of the said Company, "That the capital of the Company be increased to \$1,250,000 by the creation of 250,000 shares of the par value of one dollar each," and that such resolution, so moved and seconded, was put to the meeting by the Chairman and was carried unanimously by the shareholders and adopted.

9. And we further and lastly certify that the amount of the capital of the said Company actually paid in is the sum of \$20,052.25, that is to say:—

35,500 shares sold at 10 cents per share. \$ 3,550.00  
66,009 shares sold at 25 cents per share. 16,502.25

\$20,052.25

and that the debts and liabilities of the said Company at the date of the said meeting amounted to the sum of \$1,600, being for current month's expenditure.

As witness our hands this 23rd day of December, 1899.
